Unusual Enrollment History

The U.S. Department of Education has selected your **2024-2025** Free Application for Federal Student Aid (FAFSA) for review due to your unusual enrollment history. An unusual enrollment history is defined as having attended and received Pell Grant funds from multiple colleges/universities during the review period of **2020-2021, 2021-2022, 2022-2023 and 2023-2024.** To process your financial assistance, John A. Logan College is required to review your enrollment history and determine whether you are eligible to receive federal student aid. During this process, the Office of Financial Aid will review the National Student Loan Data System (NSLDS) for a complete history of the Federal Pell grants you have received. You can view the history of your Federal Pell grants at studentaid.gov or request of copy from the Financial Aid Office.
