## MEMORANDUM

TO: All Employees

FROM: Dr. Robert Mees *Bob*

SUBJ: Accreditation Follow-Up Survey

DATE: January 26, 2009

John A. Logan College is responding to the Higher Learning Commission of the North Central Association report from the February 5 – 7, 2007, visit, in which areas of governance, ethics, and communication were cited. A new employee survey is scheduled to be conducted the week of February 2 – 6, 2009, to determine the degree of improvement the College has achieved since that visit.

We will be using an internet survey company, *Survey Monkey*, in order to provide complete anonymity. For those preferring a paper version of the survey, copies will be available in the Office of Institutional Research. An “Announce” e-mail will be sent on Monday, February 2, 2009, providing directions and a link to the survey site. Your response and comments are very important to our self-assessment and we encourage you to readily respond to the survey.

Information about the self-study and the final report is available for viewing on the College’s accreditation website: [www.jalc.edu/accreditation](http://www.jalc.edu/accreditation). The survey results and accreditation follow-up report will be posted and available for viewing on the website.

Thank you for your participation in providing important feedback for our College’s improvement process.
