

SECONDARY MATHEMATICS*
Associate of Arts in Teaching (AAT)

Transfer Curriculum
 Associate of Arts in Teaching
 Minimum Hrs. 64
 Major Code: 1.1 131311N

FIRST YEAR – FALL SEMESTER

Dept. No.		Hrs.	Gr.
BIO 101	Biological Science for Science Majors I	4	___
EDC 200	Introduction to Education	3	___
ENG 101	English Composition I ¹	3	___
MAT 131	Calculus I	5	___
		<u>15</u>	

FIRST YEAR – SPRING SEMESTER

Dept. No.		Hrs.	Gr.
CPS 111	Introduction to Technology for Educators	3	___
ENG 102	English Composition II ¹	3	___
MAT 201	Calculus II	5	___
PHL 121	Introduction to Logic	3	___
PSY 132	General Psychology	3	___
		<u>17</u>	

SECOND YEAR – FALL SEMESTER

Dept. No.		Hrs.	Gr.
EDC 202	Human Growth, Development, and Learning	3	___
MAT 202	Calculus III	3	___
PHY 155	College Physics I OR PHY 205 University Physics I ²	5	___
SPE 115	Speech	3	___
	Social Science Elective	<u>3</u>	___
		17	

SECOND YEAR – SPRING SEMESTER

Dept. No.		Hrs.	Gr.
EDC 210	Regular Education Observation	1	___
HIS 213	Eastern Civilizations	3	___
HTH 110	Health Education	2	___
MAT 221	Introduction to Linear Algebra ³	3	___
PSC 131	American Government OR HIS 201 United States History I OR HIS 202 United States History II Fine Arts Elective	3	___
		<u>3</u>	___
		15	

* Prior to admission to a college or university teacher education program, transfer students will need to pass the Illinois Basic Skills Test. Students should consult with an advisor regarding the appropriate timing for taking the Basic Skills Test and any additional requirements specific to their transfer institution of choice. Most institutions have a required grade point average of at least 2.5 (4.0 scale) for admission into a Professional Teacher Education Program. Southern Illinois University Carbondale, for example, requires a GPA of 2.75 (A=4.0) for entry into the Teacher Education Program.

It is recommended that the student take EDC 203 prior to transferring.

¹ Requires a grade of "C" or higher.

² Students should consult with an advisor and/or appropriate transfer institution catalog to determine if College Physics (PHY 155) or University Physics (PHY 205) is needed for their program. It would also be advised that the student check to see if the second course in that sequence (PHY 156 or PHY 206) will be required.

³ This course is ordinarily offered in the Spring Semester in even numbered years.

This curriculum guide outlines a recommended or suggested first two years for individuals interested in pursuing a baccalaureate degree in this discipline or possibly one closely related. The General Education component in this recommended guide meets the guidelines established by the Illinois Articulation Initiative General Education Core Curriculum (IAI GECC). With appropriate justification and in consultation with your academic advisor, a request to substitute a course for one recommended in this guide may be granted with the appropriate approvals from the Department Chair, Dean for Instruction and Vice-President for Instruction. However, no substitutions are allowed in Groups I-V (General Education Component; GECC-IAI) of the curriculum guide (see the Associate in Arts general degree requirements worksheet in the John A. Logan College Catalog).

It is recommended that you consult the catalog of the college or university you are considering as a transfer institution to complete a baccalaureate degree. It is also recommended that you consult with an academic advisor at that college or university.

*John A. Logan College reserves the right to modify this curriculum guide as needed.
 Please verify with your academic advisor the accuracy and time lines of this document.*
