

Illinois Procurement Technical Assistance Center at John A. Logan College

Upcoming Workshops

Basics of Federal and State Contracting

Thursday, November 13th, 2008 9:00 AM – 12:00 PM, RM H126

This workshop will acquaint participants with the Federal acquisition market. You will learn the steps and processes necessary to do business with both federal and state governments and you will learn the benefits of partnering with the PTAC in order to find opportunities.

Federal and State Procurement Certifications

Tuesday, January 13th 2009 9:00 AM -12:00 PM, RM H127

This workshop will address certifications that may apply to your business. Topics discussed will include 8(a)/Small Disadvantaged Business Certification, HUBZone Certification, Minority Certifications and more.

Government Registrations and Websites

Tuesday, February 17th, 2008 9:00 AM-12:00PM, RM H123

This workshop will discuss where to register and why as well as how to use these websites as a marketing tool. Topics discussed will include CCR, DSBS and ORCA.

To register please call the PTAC at 618-985-2828 x 8525 or 1-800-851-4720 x 8525. Workshops are free of charge but space is limited and pre-registration is required.
