

Continuing Education General Information

Spring Semester Classes Begin January 23, 2012

Enrollment in Continuing Education (general studies) courses and public service (PS) courses will be accepted without application for admission to the college. There is no application fee, nor is it necessary to have transcripts of previous work. People 12 years of age or older are eligible to enroll in public service classes (16 years of age or older for Continuing Education credit classes) with the exception of some courses where the age limit is set by the State of Illinois, such as real estate. Classes for children will have the age limit noted in the course description.

Registration begins January 4, 2012. Registration Procedures. Online Registration Preferred! – Check out our new web registration. (No Telephone Registration!) Deadline for Early Registration is January 17, 2012 at 4:00 p.m.

If the registration form is not filled out correctly, the form will be returned to the student. To reserve a seat in the class, students must pre-pay and complete the registration process by January 17, at 4:00 p.m. *Students may also register at the first or second class meeting.* However, those students who have pre-paid will have seating priority if the class has filled. **Any student with a past due balance at John A. Logan College cannot be enrolled in Continuing Education classes until payment is made. Students pre-registering will not receive a confirmation from the college stating they are in the class.** If the class has filled due to pre-registration, an additional section may be offered if instructors and classroom space are available. Students with personal laptop computers may be admitted to a closed class with permission from the associate dean for community education.

Students registering in class should bring the following information to class:

- < Student ID Number
- < Name and Address (No P.O. boxes please)
- < Date of Birth
- < Home and Business Telephone Numbers

Students who register in class will be billed by mail for the tuition and/or course fee and will have two weeks after the class begins to pay their tuition. **If tuition has not been paid within two weeks of the class starting date, the student will be dropped and no refund issued.**

*** Make checks payable to John A. Logan College.** No student will be admitted to class after the second class meeting without special permission from the associate dean for community education.

Tuition. Tuition for Continuing Education (general studies) courses is computed at a rate of \$92 per semester hour. Tuition costs for all general studies

courses and public service courses are listed following the description in the schedule of classes which follows.

*** Prices quoted in this brochure are subject to change prior to the start date of the class.**

Citizens 60 years of age or older will not be required to pay for any class which has a listed tuition; however, this waiver does not apply to any class listing a "fee" or having a course number which begins with a **PS** (example: Ballroom Dance–PS 564). Senior citizens will be charged a laboratory fee for any general studies or public service (PS or MED) class if a cost is listed.

Congratulations!

If you are 60 years of age or older, you are required to pay fees, but are exempt from paying tuition for Continuing Education credit classes.

Money for the cost of materials (COM) will be collected in class by the instructor.

Refunds and Withdrawals. A student must withdraw from a class by sending a letter to the Office of Continuing Education before the second class meeting to be eligible for a full tuition refund. **If a student does not withdraw from class within two weeks of the class starting date, the student will be dropped and no refund issued.** Generally speaking, Continuing Education classes with fewer than 12 students will be canceled after the second class meeting and all tuition and registration fees will be refunded.
