

## ***Alumni & Friends Association***

The John A. Logan College Alumni & Friends Association encourages a lifelong relationship with John A. Logan College by its alumni, friends and community patrons. The Alumni & Friends Association provides opportunities for community members, current and former students, and graduates to serve JALC and its students, while also offering social and professional venues for its members.

The Association has found that many individuals cherish their experiences and memories of JALC classes, instructors, friends and special programs and that these positive feelings remain with them throughout their lifetimes. The Association aims as its mission to unite these individuals in an organization of thousands of alumni and friends who have chosen to express their active support for John A. Logan College and its programs.

The annual membership fee is \$15.00 and is available to any person with an interest in supporting John A. Logan College. Your annual membership helps support alumni & friends' special events, activities, and student scholarships. Plus, members of the Association also receive various benefits including: opportunity for members and their dependents to apply for the Alumni & Friends Association Scholarship; discounts available at area restaurants and retail businesses such as Quatro's, Subway, Gold's Gym, & Ike Honda; and discounts to JALC athletic events and plays. Members are also invited to alumni and friends special events, activities, and reunions.

To join the Alumni & Friends Association call 618-985-2828, ext. 8426 or 8437. We will be happy to send you the necessary information for you to become a member.

Alumni Services is located in the Foundation Office—Building B (B33). Please stop by to visit us when you come to campus.
