**Check One:**  Mother  Father

If you did not live with one parent more than with the other, answer in terms of the parent who provided the most financial support during the last 12 months prior to \_\_\_\_\_ (the date your financial aid application was signed) or during the most recent calendar year you actually were supported by a parent. *Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, payment of college costs, etc.*

We need to separate your parents' financial information. You must attach a signed, nonreturnable copy of **your parents' 2016 Federal IRS Income Tax Transcript and W2's** for each parent.

You gave us information on only one parent, however, you provided us with a copy of your parents' joint 2016 Federal IRS Income Tax Transcript. **What is your parents' current marital status?**

Married  Separated  Divorced  Widowed  Remarried

**Note:** *If the parent you counted above has married or remarried and you have a stepparent, you must include information about your stepparent **even if they were not married in 2016.***
