

Full Text Journals

IT Networking

Full text is available through the following databases accessible from the library's HomePage:

Academic Search Complete

Business Source Elite

Career and Technical Information

WilsonSelectPlus

In addition, the library provides The Wall Street Journal in full text as well as Regional Business News that includes newspapers in full text.

Each of the databases can be searched by journal title and date for browsing articles using the table of contents or by keyword or subject searching within a single journal. Ask a reference librarian for assistance. Reference Service is available to John A. Logan College Library users, in-person, by telephone, or via e-mail. The reference desk is directly across from the circulation desk in the library. The desk can be reached by calling (618) 985-3741, 549-7335, 937-3438, or 542-8612 and requesting extension 8104. A message can be left for the reference librarian at extension 8338. Or, e-mail us at library@jalc.edu.
