Steps in Planning Your Event
When you begin your experience:

Facility Scheduling:
All facility requests will be reserved through the Colleges Facility Scheduling Office. You may contact the scheduling office at (618) 985-3741 Ext.8425. The scheduling office can answer any questions you may have regarding room rate, availability and college policies. After you have made your room reservations, contact the Catering Office at (618) 985-3741 Ext.8335. Our catering staff will assist you in arranging your menu and finalizing your catered event. Although we make every effort to accommodate requests for service on short notice, we ask that orders be placed at least 2 weeks in advance of the event.

Deposit:
Unless other arrangements are made with the Director of Dining Services, a deposit of 80% of your estimated catering charges must be paid 5 working days prior to your event. The balance is due on the day of your event. NOTE: This deposit applies only to non-college groups.

Contract & Guarantee:
Our catering office will draft a contract according to the menu, type of services and information, which you specify. The contract will be approved by the Director of Dining Services and then sent to or be confirmed with the person in charge of the catered event. We ask that you review the contract, sign and return it to our office. You must have a signed contract on file with us before we can prepare your special event.
We require a 72-hour guarantee, prior to your catered event. If our office receives NO guarantee, we shall assume the guarantee to be the number shown on the contract, and shall prepare and charge 25% late fee for number of guest that exceeds your original guarantee.

Service Time:
All served and buffet meals are priced using a maximum service time of (2) hours for breakfast or lunch and (3) hours for dinner and or larger functions. If service time needs to be extended due to a guest speaker or other activity, an additional service charge of $18.00 per server per hour will be incurred. Service time begins at the time your event is scheduled to start until the last guest leaves.

Guest Count:
When requesting a price for you event, Please do not over estimate the number of people that will be attending. The price per person for some events is based on the total number given. If this number drops, the price per person may have to be increased to cover our expenses.

Room Accessibility:
Reserved rooms are accessible 1 hour prior to the event to accommodate the placing of programs, place cards, etc. please remember that not all details of the room set-up may be completed at that time. If more time is needed, please discuss your needs with our office. Depending on the type of service requested, doors to reserved rooms will open 15-20 minutes prior to serving time so that guests may be seated. If more time is required, please inform our office.

Cancellations:
Cancellations must be made no later than 48 hours prior to the scheduled event; otherwise billing will be rendered for 100% of guaranteed guests and or selection requested. If cancellations are made and you have not received a stamped cancelled confirmation with a signature required please do a follow up. In addition to our office, please be sure to notify the Facility Scheduling Office of all cancellations.
