			16	

NOTES AND INFORMATION

¹ Requires a grade of "C" or higher.
Competency in American Sign Language communication ("C" or better in IPP 141 and 142) must be achieved before starting second year of classes.

² Students transferring to SIU-C should take MAT 113.

The minimum general education component for the Associate in Applied Science degree requires satisfactory completion of at least 15 semester credits of coursework distributed over the disciplines of Communications, Mathematics, Arts and Humanities, Physical and Life Sciences, and Social and Behavioral Sciences. The curriculum guide for each Associate in Applied Science degree program will spell out the course requirements or options available for satisfying the general education component. With appropriate justification and in consultation with your academic advisor, a request to substitute a course for one recommended in this guide may be granted with the appropriate approvals from the Department Chair, Dean for Instruction and Vice-President for Instruction. However, no substitutions are allowed in Groups I-III (General Education Component; GECC) of the curriculum guide (see the Associate in Applied Science general degree requirements worksheet in the John A. Logan College Catalog).

Students planning to transfer and pursue a baccalaureate degree should, when given a choice, enroll in the general education course that is IAI GECC approved and articulated with participating Illinois institutions.

FIRST YEAR – SPRING SEMESTER

Dept.	No.		Hrs.	Grade
BIO	100	Biology for Non-Science Majors	4	_____
