

NURSING
ASSOCIATE DEGREE NURSING (ADN)*
Degree Program

Career Curriculum ADN15
 Associate in Applied Science
 Minimum Hrs. 71
 Major Code: 1.2 513801C

FIRST YEAR – SUMMER SEMESTER

Dept. No.		Hrs.	Gr.
ALH 101	Cardiopulmonary Resuscitation OR ALH 102 CPR Recertification ¹	.5-1	—
BIO 206	Human Anatomy and Physiology II ²	4	—
CHM 141	General, Organic, and Biochemistry I	<u>4</u>	—
		8.5-9	

FIRST YEAR – SPRING SEMESTER

Dept. No.		Hrs.	Gr.
ADN 220	Nursing Care of Adult II	7	—
ADN 221	Family Nursing	5	—
ADN 231	Advanced Pharmacology II	1.5	—
BIO 226	General Microbiology ²	<u>4</u>	—
		17.5	

FIRST YEAR – FALL SEMESTER

Dept. No.		Hrs.	Gr.
ADN 201	Health Assessment and Nursing Care	4	—
ADN 202	Nursing Care of Adult I	7	—
ADN 213	Nursing Today & Tomorrow	2	—
ADN 218	Mental Health Issues in Nursing	3	—
ADN 230	Advanced Pharmacology I	<u>1.5</u>	—
		17.5	

SECOND YEAR – SUMMER SEMESTER

Dept. No.		Hrs.	Gr.
MAT 113	Introduction to Contemporary Mathematics ³ OR	3	—
	MAT 120 Elementary Statistics ³ OR		
	MAT 104 Mathematics for Allied Health		
SPE 115	Speech OR	<u>3</u>	—
	SPE 116 Interpersonal Communication	6	

* Students must maintain "C" or higher in all courses. All students must complete the practical nursing curriculum. All PN courses must be completed with a "C" or better prior to beginning ADN courses. It is strongly recommended that all ADN general education courses are completed prior to beginning the ADN program. The following courses are included in the minimum hours of this degree:

<u>Course</u>	<u>Credit Hours</u>	<u>Course</u>	<u>Credit Hours</u>
BIO 205 Human Anatomy and Physiology I	4	PNE 171 Pharmacology in Nursing II	2
ENG 101 English Composition I	3	PNE 194 Community Nursing Clinical	1
PNE 100 Nutrition	3	PNE 209 I.V. Therapy (or comparable I.V. course)	.5
PNE 101 Fundamentals of Nursing	3	PSY 132 General Psychology	<u>3</u>
PNE 105 Nursing Throughout the Life Cycle	2		
		TOTAL CREDIT HOURS	<u>21.5</u>

ATI scores at Level 2 are required before a course grade will be issued. ATI National Average Score must be obtained on RN Predictor prior to exiting the program. (2 attempts maximum)

A national licensure examination test must be passed in order to be employed in this career.

¹ Students must be certified in CPR annually (ALH 102 CPR Recertification) before starting Clinical Rotations.

² Courses are not offered every semester and must be taken the semester indicated or before.

³ Recommended for transfer students.

The minimum general education component for the Associate in Applied Science degree requires satisfactory completion of at least 15 semester credits of coursework distributed over the disciplines of Communications, Mathematics, Arts and Humanities, Physical and Life Sciences, and Social and Behavioral Sciences. The curriculum guide for each Associate in Applied Science degree program will spell out the course requirements or options available for satisfying the general education component. With appropriate justification and in consultation with your academic advisor, a request to substitute a course for one recommended in this guide may be granted with the appropriate approvals from the Department Chair, Dean for Instruction and Vice-President for Instruction. However, no substitutions are allowed in Groups I-III (General Education Component; GECC) of the curriculum guide (see the Associate in Applied Science general degree requirements worksheet in the John A. Logan College Catalog).

Students planning to transfer and pursue a baccalaureate degree should, when given a choice, enroll in the general education course that is IAI GECC approved and articulated with participating Illinois institutions.

*John A. Logan College reserves the right to modify this curriculum guide as needed.
 Please verify with your academic advisor the accuracy and time lines of this document.*

Effective Date: Spring 2013

Additional Information: The Associate Degree Nursing Program provides practical nurses the opportunity to achieve an associate degree in nursing and take the NCLEX-RN Exam; builds on the practical nurse program of education in communication skills, nursing process, anatomy, physiology, pathophysiology, nutrition, pharmacology, psychology, and basic nursing skills; provides appropriate educational opportunities to prepare the graduate to adhere to standards and scope of practice as set forth in the Illinois Nursing Act of 2000; and creates an environment that encourages lifelong learning and professional development.

This unique program is designed to prepare the student for the practice of professional nursing as defined in the Illinois Nursing Act and meets the requirements for schools approved for associate degree nursing by the Illinois Department of Professional Regulation.

The applicant should contact the Assessment Office at the College to request an admissions packet for the Associate Degree Nursing Program. The steps to be followed are specified in the packet.

In addition to completing a College application, the applicant must be able to do the following:

- provide proof of successful completion of an approved school of practical nursing
- successfully complete the associate degree nursing pre-entrance examination and the ASSET Test
- successfully demonstrate knowledge and abilities of fundamental nursing skills
- provide proof of sound health to practice nursing; and be eligible for nursing licensure in Illinois.

The selection procedures are listed in the admissions packet.

The goals of the ADN program are as follows:

1. To prepare nurses who possess the competencies defined by the ADN Council of the NLN and adhere to the standards and scope of practice set forth in the Illinois Nursing Act of 2007 and American Nursing Association Standards.
2. To support and encourage professional continuing education.
3. To actively maintain and pursue articulation with baccalaureate-level nursing programs.
4. To collaborate with district and regional health care providers to identify entry level employment skills required of ADN graduates.
5. To work with all College departments to provide a high-quality education.
6. To prepare graduates to live and work in a globally interdependent and multicultural society.
7. To maintain faculty, physical facilities, equipment, and clinical facility contracts conducive to a positive learning environment.
8. To serve as a resource to nursing professionals in the area.

Upon satisfactory completion of the program, the student will be eligible to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

Career Opportunities: Specializations include obstetrics, surgery, intensive care unit, medical/surgical, emergency room, pediatrics, dialysis, case management, public health, insurance, office nursing and administration, home health.
