Continuing Education General Information
Summer Semester Classes Begin June 12, 2017

Enrollment in Continuing Education (general studies) courses and public service (PS) courses will be accepted without application for admission to the college. There is no application fee, nor is it necessary to have transcripts of previous work. People 12 years of age or older are eligible to enroll in public service classes (16 years of age or older for Continuing Education credit classes) with the exception of some courses where the age limit is set by the State of Illinois, such as real estate. Classes for children will have the age limit noted in the course description.

Registration begins May 22, 2017. Online Registration Preferred! – Deadline for Early Registration is June 11, 2017 at 4:00 p.m.

If the registration form is not filled out correctly, the form will be returned to the student. To reserve a seat in the class, students must pre-pay and complete the registration process (students must provide an email address to register online) by June 11, at 4:00 p.m. Students may also register at the first or second class meeting. However, those students who have pre-paid will have seating priority if the class has filled.

We are no longer taking payments and we are encouraging students to register online. Any student with a past due balance at John A. Logan College cannot be enrolled in Continuing Education classes until payment is made. Students pre-registering will receive a confirmation from the college stating they are in the class. If the class has filled due to pre-registration, an additional section may be offered if instructors and classroom space are available. Students with personal laptop computers may be admitted to a closed class with permission from the dean for community education.

Students registering in class should bring the following information to class:
< Name and Address (No P.O. boxes please)
< Date of Birth - Email address
< Home and Business Telephone Numbers

Students who register in class will be billed by email for the tuition and/or course fee and have two weeks after the class begins to pay their tuition. The college will no longer accept payments when students register in class. Students will be billed. Students can call the Bursar Office at 618-985-2828, Ext. 8201 to pay with their credit/debit card. If payment has not been paid within two weeks of the class starting date, the student will not receive a refund.

* Make checks payable to John A. Logan College and send to our Bursar’s Office.

Tuition. Tuition for Continuing Education (general studies) courses is computed at a rate of $115 per semester hour. Tuition costs for all general studies courses and public service courses are listed following the description in the schedule of classes which follows.

* Prices quoted in this brochure are subject to change prior to the start date of the class.

Citizens 60 years of age or older will not be required to pay for any class which has a listed tuition; however, this waiver does not apply to any class listing a "fee" or having a course number which begins with a PS (example: Ballroom Dance–PS 564). Senior citizens will be charged a laboratory fee for any general studies or public service (PS or MED) class if a cost is listed.

Money for the cost of materials (COM) will be collected in class by the instructor.

Students withdrawing from classes, for whatever reason, during the first two weeks will receive a 100% refund as long as they request to be dropped on their online account. This can be found under Academic, then Current Sections.
