We cannot continue to process your 2016-2017 financial aid application until you complete and return the following information. If your parents are divorced, provide a copy of the divorce decree. If your parents are separated, provide a copy of the separation agreement, a letter from an attorney, minister, social worker, counselor, or other proof that your parents have established separate living arrangements. If a parent has died, provide a copy of the death certificate, obituary, or funeral program. Please return this form with the information we are requesting in the item(s) checked below.

☐ Which parent did you live with most in the last 12 months?

Check One: ☐ Mother    ☐ Father

If you did not live with one parent more than with the other, answer in terms of the parent who provided the most financial support during the last 12 months prior to __________ (the date your financial aid application was signed) or during the most recent calendar year you actually were supported by a parent. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, payment of college costs, etc.

☐ We need to separate your parents’ financial information. You must attach a signed, nonreturnable copy of your parents’ 2015 Federal IRS Income Tax Transcript W2’s for each parent. Show beside each item on the tax return the portion earned by your mother and the portion earned by your father.

☐ You gave us information on only one parent, however, you provided us with a copy of your parents’ joint 2015 Federal IRS Income Tax Transcript. What is your parents’ current marital status?

☐ Married  ☐ Separated  ☐ Divorced  ☐ Widowed  ☐ Remarried

Note: If the parent you counted above has married or remarried and you have a stepparent, you must include information about your stepparent even if they were not married in 2015.

If you checked Separated, Divorced, or Widowed, you must provide a copy of your parents’ 2015 Federal IRS Income Tax Transcript. Show beside each item on the tax return the portion earned by your mother/stepmother and the portion earned by your father/stepfather.
