NOTES AND INFORMATION

*Or any higher math course.

¹ A grade of "C" or higher is required in:

- ASL 141 American Sign Language (ASL I)
- ASL 142 American Sign Language (ASL II)
- ASL 143 American Sign Language (ASL III)
- ASL 244 ASL IV-Survey of ASL Literature

² Competency in American Sign Language communication ("C" or better in ASL 141 and 142) must be achieved before starting second year of classes.

³ Requires a grade of "C" or higher.

⁴ IPP 144 is taught every other year, during odd numbered years.

The minimum general education component for the Associate in Applied Science degree requires satisfactory completion of at least 15 semester credits of coursework distributed over the disciplines of Communications, Mathematics, Arts and Humanities, Physical and Life Sciences, and Social and Behavioral Sciences. The curriculum guide for each Associate in Applied Science degree program will spell out the course requirements or options available for satisfying the general education component. With appropriate justification and in consultation with your academic advisor, a request to substitute a course for one recommended in this guide may be granted with the appropriate approvals from the Department Chair, Dean for Academic Affairs and Vice-President for Instruction. However, no substitutions are allowed in Groups I-III (General Education Component; GECC) of the curriculum guide (see the Associate in Applied Science general degree requirements worksheet in the John A. Logan College Catalog).

Students planning to transfer and pursue a baccalaureate degree should, when given a choice, enroll in the general education course that is IAI GECC approved and articulated with participating Illinois institutions.

Career Opportunities: Teachers assistant, tutor deaf and hard of hearing children and provide other support services for deaf and hard of hearing children, work as job coaches for deaf and hard of hearing adults, or work in any situation where skill in American Sign Language is required.

John A. Logan College reserves the right to modify this curriculum guide as needed. Please verify with your academic advisor the accuracy and time lines of this document.
