FROM PRAIRIE TO FARM TO CITY:
Music to Commemorate the
200th Anniversary of Illinois' Statehood

In recognition of Illinois achieving statehood on December 3, 1818, organizations and institutions throughout the state will be celebrating the bicentennial all year. The program includes songs about farmers, workers, disasters, and tragedies. Blues, and maybe even a little Rock and Roll. An informative and entertaining look at Illinois, its history, and its people. This program has been selected as a 2018 Illinois Humanities Road Scholar presentation. Few musicians play the hammered dulcimer. Fewer still sing while accompanying themselves on this fascinating instrument, whose name means "beautiful song." Phil Passen does both.
