

# Leaders Shape The Future. **Leaders** Shape Southern Illinois.

Leaders drive results, achieve goals, and make a positive impact in our communities. They create a unified vision and empower others to succeed.

To face the obstacles of today and tomorrow, we need great leaders at every level. LEAD Southern Illinois gives the leadership training, tools and practices to model the way, inspire a shared vision, challenge the process, enable others to act, and encourage those around us.

This engaging and insightful program will help you develop a deeper understanding of yourself and the people you lead -- now and in the future.

Improve your awareness of how you serve, communicate, organize and operate. As a result, you will greatly improve your strengths and skills in Communication, Emotional Intelligence, Leadership and Management and set yourself up for even greater success.

*LEAD Southern Illinois is a partnership of John A. Logan College Center for Workforce Development, the Marion Chamber of Commerce, the Herrin Chamber of Commerce, and the Carterville Chamber of Commerce*
