Get a Head Start

By continuing your nursing education now, you can get on the fast-track to your undergraduate or graduate degree. John A. Logan College's enhancement of an articulation agreement with Southern Illinois University Edwardsville (SIUE) School of Nursing allows you to transition seamlessly to continue your nursing education, opening the door to tremendous career opportunities.

Accelerated

Courses begin every eight weeks, so you can earn a bachelor's in as little as one year, and a master's in as little as three years.

Affordable

SIUE offers one of the lowest tuition fee rates in the state and ranks 20th in the nation in Nursing School Hub's Most Affordable Online Nursing Degree Programs. Plus, \$1,000 scholarships are available to qualified, current JAL students and alumni living or working in the state who enroll through this agreement with SIUE.

100% Online

Complete the coursework when and where it is most convenient for you. Around-the-clock technical support is available.

Apply Online

Submit your application at **siue.edu/apply**.
