# Valiant Women of the Vote: Refusing to Be Silenced

~ A Panel Discussion - Free and Open to the Public ~

For the 2021 Women's History Month, we continue to celebrate the women who have fought for woman's right to vote in the United States. In recognition of the centennial of the 19th Amendment, we will honor women from the original suffrage movement as well as 20th and 21st century women who have continued the struggle (fighting against poll taxes, literacy tests, voter roll purges, and other more contemporary forms of voter suppression) to ensure voting rights for all.

In addition, we applaud this momentous time in our national history – the seating of the first woman Vice President, Ms. Kamala Harris, in the United States of America.
