**OFFICE FOR STUDENT FINANCIAL ASSISTANCE INSTITUTIONAL VERIFICATION FORM**

Information received from your 2021-2022 Free Application for Federal Student Aid (FAFSA) indicates that you and/or your parent filed an Amended Return (IRS 1040X) for 2019. Because the IRS data retrieval process transferred original tax information from the IRS for the 2019 tax year, we are required to request the student and/or parent provide their Amended Return (IRS 1040X) for 2019. Your file cannot be completed until we verify and correct the FAFSA based on your and/or your parent's Amended Return (IRS 1040X) for 2019. **You will be responsible for any charges to your account until your financial aid file is complete and an award is posted to your student portal.** If you have any questions about verifying this information, contact us at (618) 985-3741, ext. 8308 as soon as possible so that your financial aid will not be delayed.

**DOCUMENT REQUIRED:  
A COPY OF STUDENT AND/OR PARENT 2019 AMENDED TAX RETURN (IRS 1040X)**

(Please make sure student's name and student ID is written on all paperwork submitted to our office)
