**JOHN A LOGAN COLLEGE** *celebrates*

**HISPANIC HERITAGE MONTH 2021**

**SEPTEMBER 15 – OCTOBER 15**

“Humanity is going through very painful moments caused by the pandemic, but we must remember that after the storm comes the calm. In this portrait, we can appreciate a hand that raises the flags of Hispanics together with people of different ethnicities looking towards a majestic rainbow that represents Hope. “Esperanza!” The thing that characterizes us as Hispanics is that no matter what storms we go through, we always look up and know that life will be dressed in colors like a shiny rainbow in the sky. “The infinity ribbon design was inspired by the theme, Hispanics: Be Proud of Your Past and Embrace the Future. The greatness of America can be measured by the collective contributions of its citizens past and present, and our future will be measured by our ability to uphold and instill unto others our most valuable assets: our shared culture, history, knowledge, and sense of community. As Hispanics, taking pride in the accomplishments and achievements of our mentors and our ancestors brings into focus the endless possibilities available to us today and boosts our capacity for embracing the future. This is our infinite cycle.” *By Ms. Adrienne Castillo, Human Rights Activist*
