Part of the Documentary Series by PBS: [The Latino Americans](#)

DATE: Wednesday, October 6, 2021 at 11:00 AM

Description:

Until World War II, Latino immigration to the United States was overwhelmingly Mexican-American. This documentary reviews the decades after World War II through the early 1960s, as three new waves bring large-scale immigration from Puerto Rico, Cuba, and the Dominican Republic. In *The New Latinos*, we will follow the story of seven immigrants seeking a new life, refuge and economic opportunities in the United States, the discrimination they faced, and their efforts and struggle for recognition.
