ANNUAL DISCLOSURE OF CRIME STATISTICS

As required by federal law, the JALC Campus Police Department's yearly crime statistics are compiled on a calendar-year basis in accordance with the definitions of crimes provided by the FBI for use in the Uniform Crime Reporting (UCR) system.

This report includes statistics for the previous three years concerning crimes that occurred on campus and were reported to Campus police or Campus Security Authorities. The report also includes statistics for referrals for campus disciplinary action for categories required under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. These categories include liquor, drug and weapon law violations. Statistical information for certain off-campus locations or property owned or controlled by the College, as well as public property within or immediately adjacent to campus, are gathered by the JALC Campus Police Department after requesting such information from those local law enforcement agencies.

The following crime statistics are reflective of the years 2018, 2019 and 2020. There were additional crime classification categories added in 2013 that were not categories before. These changes reflect the Reauthorization of the Violence Against Women's Act to include Dating Violence, Domestic Violence, Stalking and changes within the sex offense categories: Rape, Forcible Fondling, Incest, and Statutory Rape.

The definitions for the crime classifications are on the following pages.
