

**Articulation Agreement
Between
McKendree University and John A. Logan College
ADN to BSN**

This articulation agreement is the result of discussions between McKendree University and John A. Logan College. McKendree and John A. Logan agree that both institutions value this cooperative agreement and that this agreement will best serve the current students of both institutions.

Terms and Conditions

Section I: Admissions and Matriculation

McKendree and John A. Logan have developed a four-year program plan to facilitate the most seamless transfer possible for John A. Logan students who complete the Associate Degree in Nursing (ADN) at John A. Logan and desire to earn the Bachelor of Science Degree in Nursing at McKendree University.

Students who satisfactorily complete the ADN requirements with John A. Logan and hold an unencumbered license as a registered nurse will be admitted to McKendree University.

McKendree and John A. Logan agree to inform potential transfer students of the existence of this institutional articulation agreement and the advantages of pursuing the articulated programs.

Dual Enrollment is possible for students that have a 3.25 grade point average (GPA) at John A. Logan. John A. Logan students pursuing the ADN that meet the minimum GPA will be allowed to enroll in the following coursework (9 hours) at McKendree University prior to completion of the John A. Logan ADN and completion of nursing licensure:

- NSG 351 -- Health Assessment and Pathophysiology I -- 3 credits
- NSG 352 -- Health Assessment and Pathophysiology II -- 3 credits
- NSG 404 -- Diversity in Healthcare Delivery -- 3 credits

Students enrolled with both institutions will receive financial aid from one institution per Federal Department of Education regulations. While completing your ADN, you should complete all financial aid with John A. Logan.

Section II: Transfer of credit

McKendree University agrees to accept a maximum of 90 semester hours of credit from the John A. Logan graduate who seeks to complete a baccalaureate degree at McKendree. McKendree University will communicate specific options for students and give careful consideration to all previously completed courses. Courses in addition to those used to earn the ADN at John A. Logan will be evaluated individually to determine which are transferable and what requirements have been met. Completion of the ADN fulfills all general education requirements with McKendree University.

Section III: Program Plan

The four-year program plan for the B.S. in Nursing is included at the end of this agreement. These plans will specify the student degree course plan and transfer credit requirements.

Degree course plans will be reviewed by both McKendree University and John A. Logan representatives on an annual basis, and revised or updated as needed to reflect any changes in the degree requirements.

Notices should be mailed to the following addresses by first class mail in order to fulfill any notice of revision/updates to this Agreement.

Terms of the Agreement

This agreement becomes effective on August 1, 2021 and remains in effect until July 31, 2025, unless changed in writing by mutual agreement of McKendree University and John A. Logan College. The agreement can be amended at any time with the approval of both institutions. Should either institution desire to discontinue this agreement, written advance notification of 60 days will be required. Termination, however, will not be executed without a negotiated teach-out agreement for students currently enrolled.

Both institutions hereby indicate full agreement to the terms and conditions included above and the honoring of the course, program, and other requirements outlined in the four-year program plan attached at the end of this agreement.

IN WITNESS WHEREOF, the parties have executed this Articulation Agreement by their duly authorized officers on the date first written above.
