Terms and Conditions

Section I: Admissions and Matriculation

McKendree and John A. Logan have developed a five-year program plan to facilitate the most seamless transfer possible for John A. Logan students who complete the Associate in Science Degree (AS) at John A. Logan and desire to earn the Bachelor of Science Degree in Exercise Science and Sports Performance and Master of Science in Athletic Training at McKendree University.

Students who satisfactorily complete the AS requirements with John A. Logan will be admitted to McKendree University.

Section II: Transfer of credit

McKendree University agrees to accept a maximum of 90 semester hours of credit from the John A. Logan graduate who seeks to complete a baccalaureate degree at McKendree. McKendree University will communicate specific options for students and give careful consideration to all previously completed courses. Courses in addition to those used to earn the AS at John A.
