## FINANCIAL AID

The Nursing Assistant Program course may **not** qualify for Federal or State grants. Please discuss this with your advisor during registration.

## LEGAL LIMITATIONS

A law in Illinois says that you cannot work as a nurse's aide for a hospital, nursing home or home health agency if you have certain criminal convictions.

While this is not meant to discourage you, if you have a conviction for one or more of these crimes, you will not be able to continue in the course until you apply and receive a waiver from the Illinois Department of Regulations.

A waiver does not change your criminal record. A waiver allows an employer to "legally" hire you, even though you have a criminal record. A waiver is **NOT** granted to everyone that applies. You may send in all the information requested and still not be granted a waiver. Each waiver application is reviewed completely. There are no hard and fast rules, but the following may be used as a guide:

You will probably **not** be granted a waiver if any of the following is true:

- You are still on probation, parole, or incarcerated.
- Your victim was an elderly or disabled person.
- You have several (more than two) similar crimes in the last five years.
- You have several violent crimes in the last five years.
- Your crime is any type of murder or sexual assault.
- You have less than two years clean and sober.

A waiver may be granted if:

- You have paid all your court fines and have satisfactorily completed probation.
- You only had a few (less than three) convictions more than 5 years ago.
- You have a single non-violent crime in the last 5 years.
- You have more than two years clean and sober.

Again, this is not meant to discourage you. There is a need for responsible, hardworking and caring nurse's aides. However, it would be a shame if you invested the time, work and money in a nurse's aide class and then you were unable to get a job.

If you have a conviction and would like to apply for a waiver, please visit [Illinois Department of Public Health](#). Waivers must be completed and submitted to Crystal Young, Program Coordinator prior to the first day of class.

Crimes that **disqualify** you from working as a nurse's aide, in other words, you **cannot** work as a CNA with these convictions, which **include both misdemeanors and felonies**:

- Battery, domestic battery
- Assault
- Theft
- Retail theft
- Robbery, armed robbery, aggravated robbery
- Burglary, residential burglary
- Armed violence
- Criminal trespass to a residence
- Financial exploitation of an elderly or disabled person
- Murder, homicide, manslaughter
- Kidnapping, child abduction
- Unlawful restraint, forcible detention
- Indecent solicitation of a child, sexual exploitation of a child
- Tampering with food, drugs, or cosmetics
- Aggravated stalking
- Home invasion
- Sexual assault, sexual abuse
- Endangering the life or health of a child
- Abuse or gross neglect of a long-term care facility resident
- Criminal neglect of an elderly person
- Ritual mutilation, ritualized abuse of a child
- Vehicular hijacking, aggravated vehicular hijacking
- Arson
- Unlawful use of weapon
- Manufacture and delivery of controlled substances (drugs)
- Manufacture and delivery of cannabis (marijuana)
- Possession with intent to deliver (either drugs or marijuana)

**Please note:** You may have been convicted and not sent to jail. Often people are fined or given probation, but these are still convictions. If you are unsure whether an arrest ended up to be a conviction, contact the county in which you were arrested and speak to the people at the Circuit Clerk or State's Attorney's office or your attorney.

Some convictions that are **not** disqualifying, in other words, you **can** work if these are your only convictions:

- prostitution
- possession of cannabis or a controlled substance
- DUI
- deceptive practices (writing "bad checks on your own account)

If you have questions concerning legal limitations contact the Nursing Department at (618) 985-2828 Ext. 8105 or email [Crystal.Young@jalc.edu](mailto:Crystal.Young@jalc.edu) (email is preferred over voicemail messages).

*Changes effective 11/01/2021 - please note information listed in this packet is subject to change.*
