AGREEMENT

This agreement is entered into this ____ day of _____, 2021, by and between the Board of Directors of John A. Logan College, Community College District No. 530 in the Counties of Franklin, Jackson, Perry, Randolph & Williamson (hereinafter referred to as "Employer") and the Teamsters Local Union No. 50 (hereinafter referred to as "Union").

Whereas, the Employer has voluntarily endorsed the practices and procedures of collective negotiations as a fair and orderly way of conducting its relations for its custodians and building and grounds maintenance employees insofar as such practices and procedures are appropriate to the functions and obligations of the Board to retain the right to operate John A. Logan College effectively in a responsible and efficient manner and insofar as such practices and procedures are consonant with the paramount interests of the District and its residents;

Whereas, the Union represents a majority of the custodians and building and grounds maintenance employees in the appropriate bargaining unit set forth in Article I of the Agreement; and

Whereas, it is the intention of the parties to this Agreement to provide, where not otherwise mandated by statute, for the salary schedule, fringe benefits and conditions of employment of the employees covered by this Agreement, to prevent interruptions of work and interference with the efficient operation of John A. Logan, and to provide an orderly and prompt method of handling and processing grievances;

Now, therefore, the parties hereto agree as follows:

ARTICLE I – RECOGNITION AND REPRESENTATION

Section 1.1. Recognition and Appropriate Bargaining Unit

The Employer recognizes the Union as the sole and exclusive bargaining agent for all full-time employees in the appropriate bargaining unit. The appropriate bargaining unit shall include all custodians and building and grounds maintenance employees employed by the Employer, but excluding the coordinator of custodial and environmental services, coordinator of grounds maintenance, heating and air conditioning engineer, part-time employees (e.g., employees who regularly work less than twenty-five (25) hours per week), student seasonal employees, supervisors, as defined in Section 2(11) of the National Labor Relations Act, professional employees, and all other personnel employed by the Employer.

Section 1.2. Duration of Union Representation

Union Representation of the bargaining unit shall continue under this Agreement unless it is decertified in accordance with the Illinois Educational Labor Relations Act and the Rules and Regulations promulgated thereunder.

Section 1.3. Probationary Employees

Employees serving one hundred and twenty (120) day probation periods are not covered under this Agreement until the employee has completed the probation period.

ARTICLE II – SENIORITY

Section 2.1. Decreasing Work Force

In all cases of decreasing the working forces other than a discharge for a just cause, the only factor to be considered will be the length on the General Seniority List. Any decrease in workforce shall first affect employees classified as part-time before any employee classified as full-time. Employees affected by decrease in workforce, whether overall lay-off or by pay classification, shall be able to exercise their seniority to displace the least senior employee in any pay classification so long as the employee is qualified to perform the duties required within the pay classification.

Section 2.2. Seniority List

There will be two (2) seniority lists for full-time employees. The General Seniority List will be by first actual hours worked. The list of employees rated according to general seniority is attached hereto and made a part of this Agreement. Pay Classification Seniority List will be used to determine approval of vacation, personal days, and compensation time when requested simultaneously. Each pay classification will post an overtime rotation turnsheet, to be maintained by the Union Shop Steward. In emergency situations, the Employer may utilize employees from any or all pay classification(s) without reference to seniority.

A separate seniority list shall be maintained for part-time employees. Seniority prior to July 1, 2010, shall not be changed. Seniority for those hired on or after July 1, 2010 shall be based upon first hour worked with card draw for those with the same first hour worked.

Section 2.3. New Employees

New employees shall not acquire seniority until they have completed their probationary period of one hundred twenty (120) days. During the probationary period, a new employee may be laid off, transferred, or terminated for any reason. Upon completion of the probationary period, if the employee is retained, the employee shall be placed upon the General Seniority List and Pay Classification List and his/her seniority date shall be the first hour worked. When two (2) or more employees start on the same day and the same hour, seniority will be determined by the draw of a deck of cards with the highest draw prevailing until seniority is established.

Section 2.4. Lay-Off

An employee shall be continued on the General Seniority List for a period of eighteen (18) months from the date of lay-off.

Section 2.5. Vacancy

When a vacancy occurs within the bargaining unit or when a new position with the bargaining unit is created, the Employer shall cause a notice to be provided to the Union Steward and posted on a bulletin board in the work areas for a period of six (6) working days, announcing the vacancy or new position. Once a notice of vacancy has been posted, no changes shall be made to the job posting and/or classification. Any employee in the bargaining unit may bid for the opening provided the employee is qualified. If more than one employee bids, the employee with the highest general seniority shall be given the job providing he or she is qualified and can perform the work in question competently.

If an employee is promoted and proves unqualified or cannot perform the work competently within thirty (30) days, he or she shall be returned to his or her previous job within the bargaining unit. Upon written request by the employee, the competency period shall be extended by an additional thirty (30) days. Any employee, after successful bidding and being awarded the position, may choose to return to his/her previous position within thirty (30) days voluntarily. Once a position has been put out for bid internally and the bid posting period closes and an internal candidate fails to maintain the position and/or is returned to or returns to his/her previous job, then the next internal employee who applied shall be offered the position. If no other internal employees applied for the posted position, then the position shall be advertised externally and any internal candidate shall be welcome to apply.

Section 2.6. Loss of Seniority

An employee shall lose his/her seniority for the following reasons:

- Quitting voluntarily
- Discharge for just cause;
- Failure to return to work after lay-off thirty (30) days or more duration and within five (5) days after being notified to report, or failure to report after lay-off for less than thirty (30) days upon twenty-four hours' notice;
- Absence for one (1) or more of the following reasons:
 - Lay-off for eighteen (18) months;
 - Disability for non-work-related injury or illness as determined by the College workers compensation carrier in excess of the greater of accumulated leave time or the following time limit. The time limit is inclusive of all leaves.

Absence shall begin on the day following the last date of work and continues to run until the employee can return to work and perform the essential job duties with or without reasonable accommodation at the original duty (i.e. 100% or other original duty). The time limits below do not reset until after one (1) year of continuous service without restriction at original duty:

- Twenty-four (24) months – employees with continuous employment of five (5) years or less.

- Thirty-six (36) months – employees with continuous employment of greater than five (5) years.

Employment shall be considered terminated upon the happening of any of the above-enumerated events. Upon termination, the employee will be offered COBRA benefits pursuant to state law.

Section 2.7. Benefits/Rights for Part-Time Employees

This section relates to permanent part-time employees regularly working at least twenty-five (25) hours a week. Part-time employees are ineligible for benefits/rights under this contract unless specifically stated in this section.

They shall be eligible to earn both vacation and sick leave in a proportioned amount to a full-time employee. They shall be allowed to designate a proportioned amount of sick leave for personal use. If their regular schedule of work includes the holiday, they shall receive 50% of the normal holiday hours received by a full-time employee for any days considered as holidays under Section 8.1 An employee that is scheduled to work on a holiday shall receive one and one-half (1 1/2) times the straight-time hourly rate of pay for all hours worked on the holiday in addition to his/her holiday pay. Tuition waivers shall be provided the members of the bargaining unit, spouses, and dependent children, as outlined in Board Policy 7370, Tuition Waivers.

Part-time employees are eligible to bid on full-time positions. Unless specific skills and abilities are required by the Employer in the job posting, a part-time employee shall and shall be given due consideration based on seniority over other applicants through the regular hiring process. However, part-time employees shall retain recall rights into other part-time positions from a lay-off for a period of nine (9) months.

Section 2.8. Employee Classifications and Job Descriptions

The Employer and the Union (Business Representative, Shop Steward, and Negotiating Committee) shall meet annually, no later than October 1, to review and discuss employee classifications and job descriptions in order to achieve mutual agreement upon any proposed revisions, amendments, or other changes to said classifications and job descriptions.

ARTICLE III – GRIEVANCE PROCEDURES

Section 3.1. Definition

A grievance is a difference of opinion with respect to the meaning of application of the specific terms of this Agreement.

Section 3.2. Procedure

A grievance shall be processed as follows:

STEP 1: Any employee covered by this Agreement who has a grievance shall submit it to his immediate supervisor or such other person as may be designated by the Board for this purpose. The grievance shall set forth in detail the facts on which it is based, the provision or provisions of the Agreement allegedly violated and the relief requested.

The Vice-President for Business Services or his designee shall discuss the grievance with the employee and Steward, and if requested, the Union Business Agent, at a time mutually agreeable to the parties. If no settlement is reached, the Vice-President for Business Services or his designee shall give his written answer within five (5) work days following their meeting.

The President, or his or her designee, shall meet with the employee, Steward, and the Union Business Agent at a time mutually agreeable to the parties and, if no settlement is reached, the President, or designee, shall give a written answer within ten (10) work days following their meeting. The answer of the President shall be final, unless the Employer, at its option, as hereinafter provided, accepts an appeal of the grievance.

STEP 4: If the grievance is not settled at Step 3, it may be referred to the Board of Trustees for review. If the Board, at its discretion, decides to review the grievance, the Board shall give its written answer within twenty-five (25) calendar days following the submission of the grievance of the Board.

STEP 5: Impasse procedures shall be in accordance with the provisions of Chapter 48, Paragraph 1712, Section 12, Illinois Revised Statutes; however, should legislation be adopted subsequent to the signing of this Agreement making impasse procedures optional or negotiable, then the portion of this Agreement dealing with impasse procedures shall become null and void, and Section 3.2 shall revert back to the wording of the 1982-85 Agreement.

Section 3.3. Time Limits

No grievance shall be entertained or processed unless it is submitted within ten (10) work days after the first occurrence giving rise to the grievance.

ARTICLES IV – STRIKES

A strike shall only be called or participated in under the conditions set forth in 115 ILCS 5/13. However, should legislation be adopted subsequent to the signing of this Agreement making strike procedures optional or negotiable, then the portion of this Agreement dealing with strike procedures shall become null and void, and shall revert back to the wording of the 1982-85 Agreement.

The employee will receive an increase of \$1.50 per hour per year above the increases shown above until they are at the maximum rate for their classification. Employees with first hour of employment on or after January 1 will not receive the \$1.50 increase until a full fiscal year has been completed (e.g., an employee hired on January 1, 2017, would not receive the \$1.50 until July 1, 2018.)

Section 6.3 Weekend Differential

A weekend differential of twenty-five cents (\$0.25) per hour shall be paid for shifts that start on or after 12:00 a.m. on Saturday through 11:59 p.m. on Sunday.

Section 6.4. Pay Period and Pay Date

Beginning with the first pay period following the ratification of this Agreement, the pay period is defined as the 1st-15th and the 15th—last day of the month. Pay will be provided to the employee no later than seven (7) calendar days following the end of the pay period. If this date falls on a Saturday, Sunday, or holiday, the pay date will be moved back to the last weekday prior to the regularly scheduled pay date. Extension of the pay date beyond the current five (5) calendar days will be preceded by a three (3) month advance notification.

ARTICLE VII – HOURS OF WORK AND OVERTIME

Section 7.1. Purpose

This article is intended to define the normal hours of work and to provide the basis for the calculation and payment of overtime. It shall not be construed as a guarantee of hours of work per day or per week, or of days of work per week.

Section 7.2 Normal Workday and Normal Workweek

The normal workday shall consist of eight (8) consecutive hours of work, exclusive of the lunch period, in a twenty-four (24) hour period. The normal workweek shall consist of forty (40) hours per week. For payroll purposes and the calculation of overtime as outlined in Section 7.3, the workweek shall be defined as 12:00 a.m. on Monday through 11:59 p.m. on Sunday. The employee's normal workday and workweek shall not be deviated from without the employee's written consent. For the purposes of trainings, meetings, and/or any other instances that the Employer requires the employee to attend, the employee's normal schedule shall not be deviated from in order to reduce any potential overtime.

Employees shall not have their regular shift adjusted, either by delaying the normal starting time or ordering an early quitting time (including the elimination of regularly scheduled work days), in order to avoid payment of overtime or call-in pay, unless by mutual agreement.

Section 7.3 Weekly Overtime

For all hours paid in excess of forty (40) hours during the workweek, except as described in Section 8.3, the Employer will pay the employee one and one-half (1 1/2) times the employee's straight-time rate of pay.

Section 7.4. Special Call-Out

When an employee is contacted to provide guidance or direction related to maintenance, ground, or custodial duties, the employee shall be paid overtime compensation of one and one-half (1 1/2) his or her normal rate of pay for a minimum of one (1) hour. In the event an employee is required to return to work outside of their normal workday or normal workweek, they will be guaranteed a minimum of two (2) hours of compensation which shall be paid at the overtime rate of one and one-half (1 1/2) times the employee's straight-time rate of pay. All employee contact under this Section shall be at the direction of the appropriate departmental supervisor unless the supervisor is unavailable or if the matter needs immediate attention.

Section 7.5. Temporary Transfers

An employee may be temporarily transferred to another position when a vacancy exists. If the position is a higher paid classification, the temporarily transferred employee shall be paid at the higher rate of pay for the duration of the transfer.

Temporary transfers become effective the date that the employee is assigned. Temporary transfers can last up to twelve (12) months under the following schedule. Temporary transfers of fifteen (15) days or less would not count against an Employee towards another transfer. Temporary transfers of sixteen (16) days or more up to twelve (12) months would require the employees to return to their previous position before the transfer and work the required length of days of the transfer in their previous position to be eligible for another transfer. At the signing of the contract all previous transfers are to be retroactive.

ARTICLE VIII – HOLIDAYS AND CAMPUS CLOSURE

Section 8.1. Designated Holidays

The following days shall be considered paid holidays and all those declared by the President of the College: New Year's Day, Martin Luther King's Birthday, President's Day, Good Friday, Memorial Day, Juneteenth, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day and Christmas Day.

When any of these holidays fall on a Sunday, the following Monday shall be observed as the holiday. If a holiday falls on the employee's first day of their weekend, the holiday will be observed the day prior. If the holiday falls on the employee's second day of the weekend, the holiday will be observed the day after. For those employees whose regular work days include either Saturday or Sunday, he or she shall have the option of working Good Friday

in exchange for being off on Easter. The employee electing this option shall provide written notice one (1) week prior and there shall be no pyramiding of holiday hours.

Section 8.2. Computation of Holiday Pay

An employee eligible for holiday pay shall receive eight (8) hours pay at their regular hourly rate of pay. An employee who is scheduled to work on a holiday shall receive on and one-half (1 1/2) times the regular hourly rate of pay for all hours worked on the holiday in addition to holiday pay.

Section 8.3. Campus Closure

A Campus Closure will be defined as any time the President or his/her designee closes the college, thus vacating the college campus. The President, Vice-President, or designee will decide when to resume normal operations. Administration retains the rights to determine the date and duration of any campus closure; however, campus closure shall fall into one of two categories: Administrative or Force Majeure.

Administrative Campus Closure shall be generally defined as a closure that is within the control of the Administration (i.e., college and/or non-college related events, regularly observed and/or routine days off, etc.). It is agreed and understood that these examples are not exhaustive but rather representative of a type of closure that the Administration could effectuate. A closure shall be defined as one of the following:

1. **Suspended Operations:** all campus offices are closed. Staff and faculty are encouraged to avoid campus. Essential employees must report to work if notified by their supervisor.
2. **Total Closure:** all campus operations are suspended, and all personnel are prohibited from being on campus, except emergency personnel needed to maintain life, safety and security of JALC.

Force Majeure Campus Closure shall be generally defined as a closure that is not within the control of the Administration (i.e., inclement weather, flooding, utility outages, etc.). It is agreed and understood that these examples are not exhaustive but rather representative of a type of closure that the Administration could effectuate.

A closure shall be defined as one of the following:

1. **Suspended Operations:** all campus offices are closed. Staff and faculty are encouraged to avoid campus. Essential employees must report to work if notified by their supervisor.

2. **Total Closure:** all campus operations are suspended, and all personnel are prohibited from being on campus, except emergency personnel needed to maintain life, safety and security of JALC.

Any employee who is regularly scheduled to work on any Campus Closure day (either Administrative or Force Majeure) but notified not to report to work shall receive eight (8) hours pay at his or her regular hourly rate of pay. Any employee who works on an Administrative Campus Closure day shall receive one and one-half (1 1/2) times his or her regular rate of pay for all time worked during the closure. Any employee who works on a Force Majeure Campus Closure day shall receive two and one-half (2 1/2) times his or her regular rate of pay for all time worked during the closure.

If an employee after being granted payment for sick leave, requests and is granted continued employment, that person must repay all sick leave payments received to date immediately.
