

TRANSFER GUIDE

AA General transferring into BS - Radiologic Sciences (RADS) Cardiac Interventional (CI) Radiography Specialization

John A Logan College Courses								
AA General – 63 hours								
ENG 101-3	English Composition I	Elective-3	Humanities					
ENG 102-3	English Composition II	Elective-3	Life Science					
COM 115-3	Speech	Elective-3	Fine Arts					
MAT 112 or higher-3	Intro to Contemporary Math	Elective-3	Multicultural					
PHY 121-3	Technical Physics	ORI 100-1	College 101					
BIO 205-4	Human Anat/Physio I w/Lab	MAT 108-4	College Algebra					
Elective-3	Social Science	HIT 217-3	Medical Terminology					
Elective-3	Social Science	BIO 206-4	Human Anat/Physio II w/Lab					
Elective-3	Social Science	Electives-8						
Elective-3	Humanities		·					
	Southern Illinois Univers	ity Carbondale	Courses					
BS - I	Radiologic Sciences (RADS) Cardiac	Interventional (CI) Radiography -79 hrs					
RAD 102-3	Radiographic Technique	RAD 342-3	Radiation Biology					
RAD 112/112L-3	Anatomy and Positioning w/ Lab	RAD 352-3	Special Imaging Modalities					
RAD 122-2	Seminar in Rad Sciences	RAD 407-3	Patient Interaction & Management					
RAD 202-3	Radiographic Physics	RAD 417-4	Imaging Procedures					
RAD 212-2	Special Procedures	RAD 427-3	Sectional Anatomy & Pathology					
RAD 222-9	Radiography Clinic I	RAD 437-3	Physics and Image Acquisition					
RAD 232/232L-4	Selected Systems w/Lab	RAD 447-10	Cardiac-Interventional Clinical I					
RAD 312-4	Radiographic Pathology	RAD 457-2	Special Problems in CI Radiography					
RAD 322-3	Rad Contrast-Sectional Anatomy	RAD 467-4	Cardiac-Interventional Clinical II					
RAD 332-9	Radiography Clinic II	RAD 477-2	Seminar in CI Radiography					
	Total Hours to Bachel	or Degree: 142	Hours					

Questions? Contact Us!

Salary Range: \$61,370-\$94,880

Possible Careers: Radiologic Technologist CT Technician MRI Technologist Radiation Therapist John A Logan College Emily Monti Associate Manager for Curriculum and Instruction P: 618-985-3741 ext 8514 E: emilymonti@jalc.edu

Southern Illinois University Carbondale Scott Collins, Director School of Health Sciences P: 618-453-7260 E: kscollin@siu.edu

Disclaimer: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is attempted to be kept current; however, any curriculum changes reflected in the Undergraduate Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution. *Residence Requirements.* Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for <u>all work</u> taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

<u>Saluki Transfer Pathways</u> is the university's dual admission program that allows baccalaureateoriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in <u>Salukinet</u>.

Saluki Transfer Estimator Portal (STEP)

The <u>Saluki Transfer Estimator Portal</u> (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
