The provisions of this policy will prevail for all employees except where a difference is noted in the hiring policy for a specific category of employees.

1. All full-time and part-time positions and salaries at the College may be established by the President within the approved budget and ratified by the Board of Trustees.
2. After a position has been created, the Office of Human Resources will be responsible for conducting a search.
3. **The President may offer employment to candidates for full-time and part-time positions contingent upon ratification by the Board of Trustees. The President will recommend the employment for ratification at the next regular meeting.**
4. The Board of Trustees will take action upon the President's recommendation.
5. John A. Logan College is an Equal Opportunity/Affirmative Action institution in its hiring and promotion policies and procedures. Job announcements will comply with the College Equal Opportunity Requirements.
6. The State Universities Retirement System law has been amended effective August 1, 2013, requiring mandatory contribution for employers that employ "affected annuitants." John A. Logan College's policy is to be fiscally responsible in hiring "affected annuitants." The Board of Trustees delegates the responsibility for establishing guidelines and procedures consistent with the law (40 ILCS 5/15-139.5) for enforcing this policy.
7. If a need arises to meet staffing needs, the President is authorized to hire personnel on an interim basis by hiring or reassigning staff at the prevailing rate of pay. The President will bring such action to the Board for approval at the next regular Board meeting. Such interim positions shall only be valid for a period of one year or less. Interim positions will be posted through the regular hiring process before becoming permanent.
8. The President may employ substitutes needed to replace professional staff on a temporary basis at the prevailing rate of pay.
9. The President may employ needed staff for short-term training programs requested by local businesses and industry. This includes employment for short-term courses, workshops, and seminars. Short-term is defined as less than one academic semester. Compensation and workload will be established prior to the approval of the contract to provide this service.

10. Members of the same family or household are eligible for employment at John A. Logan College. Neither individual Board members nor employees of John A. Logan College shall participate in the selection, hiring, supervision, or performance review of any person who is a member of the employee's family or household and who is an applicant for employment with, or employed by, the College.

For the purpose of this policy, "family" is defined to mean the husband, wife, child or child's spouse, parent or parent's spouse, brother or brother's spouse, sister or sister's spouse, domestic partner, and individuals in the same household. "Family" also includes an employee or board member's spouse's child, parent, brother, or sister.

This policy shall not be retroactive to affect any existing employees as of the effective date of this policy *or* to individuals employed prior to a nepotism conflict arising under this policy.

11. Any person (employee or board member) who participates in an employee selection process must disclose any personal or professional relationship (if known) he or she has (or had) with any candidate. Employees shall give such notification to the Office of Human Resources. Vice-Presidents must report personal or professional relationships (if known) with a candidate to the President. The President must report personal or professional relationship (if known) with a candidate to the chairman of the Board of Trustees. When a candidate is presented for consideration to the Board of Trustees, trustees must disclose any personal or professional relationship (if known) with the candidate to the other members of the Board of Trustees.

In regard to the employment and/or termination of SURS annuitants, the Board of Trustees of John A. Logan College reserves the right to take actions to avoid a financial penalty under Public Act 97-0968, the Return to Work Act (40 ILCS 5/5-139).

In this effort, the following stipulations apply to SURS annuitants:

- John A. Logan College will comply with the provisions of Public Act 97-0968, including reporting requirements regarding the employment and compensation of annuitants.
- SURS annuitants will only be considered for part-time employment.
- SURS annuitants will not be considered for any employment or re-employment if employed simultaneously by any other SURS-covered institutions.
- SURS annuitants will be limited to only one position and will not work for more than one division of the College within the same semester.
- “Affected Annuitants” will not be employed or re-employed.
  - a. As defined under the Illinois Public Act 97-0968, “Return to Work Act,” any annuitant that is considered to be an “affected annuitant” will not be employed or re-employed for any academic year that they are considered to be an affected annuitant unless s/he suspends his/her SURS pension including any reciprocal pensions and provides verification of such.
  - b. The annuitant must provide an accurate history of employment and must disclose in writing to the College if they are considered to be or expect to become an affected annuitant. This disclosure will be required both when applying for initial employment and annually when seeking re-employment each academic year. Failure to provide the information requested in relation to the Return to Work Act or providing false information will be grounds for termination of employment.

The only exception to the above stipulations is that an “affected annuitant” may be employed to perform critical operations due to an unforeseen illness, death, or accident of an employee for no more than one academic year. SURS must first be notified if these circumstances occur and provide written approval.

### **Employment after Retirement**

**Under the SURS return-to-work restrictions (40 ILCS 5/15-139), an annuitant may not return to work in any capacity, paid or unpaid, with a SURS-covered employer until retired for at least 60 calendar days. The annuitant must have a clear separation from SURS-covered employment and no agreement, written or oral, to return to a SURS-covered employer at the time of retirement. If the annuitant does not satisfy this requirement, the annuity will be cancelled.**

**It is the annuitant’s responsibility to notify SURS upon returning to employment for a SURS-covered employer.**

**If the annuitant returns to SURS-covered employment after the 60-day period, the annuitant will be subject to an earnings limitation. The exact amount of the earnings limitation will be stated on the Certification of Retirement Annuity upon finalization of the retirement claim. If the annuitant exceeds the earnings limitation, the retirement annuity will be reduced or suspended.**

CROSS REF.: BOARD POLICY 4110

The employee planning to retire must complete a John A. Logan College retirement application, with a SURS retirement estimate for the respective retirement date, and submit it to the Director of Compensation and Benefits. A benefits summary will be provided to the employee. If the employee chooses to proceed, s/he must notify the President’s Office in writing, and such notification shall be irrevocable. Years of full-time service at John A. Logan College shall include non-contiguous years. Total years of service shall be based upon the anniversary date of full-time service and shall be rounded up to the nearest whole year. Benefits under this policy are restricted to those submitting retirement notifications after the date of policy adoption by the Board of Trustees. Eligibility for grant employees is determined by Policy 7171, Grant Personnel.

**RETIREMENT INCENTIVE**

John A. Logan College will provide a retirement incentive to eligible full-time employees retiring on or before September 1, 2023. Full-time employees must be vested with the State Universities Retirement System (SURS) and eligible to receive a retirement annuity from SURS on the retirement date. Notification of retirement must be received by the President’s Office in hard copy on or before the deadline date specified in order to be eligible. If requests from a division, department, or office, which if granted would create a hardship on the College, the President may defer the retirement date. The retirement incentive will be paid in the final pay distribution and shall be calculated as follows:

$$\text{Retirement Incentive} = \text{Annual Base Salary} \times \text{FT Service} \times \text{Multiplier}$$

Window	Retirement Date	Annual Base Salary @ Retirement	FT Service @ Retirement	Multiplier	Calculated Incentive	Maximum	Notification Deadline
A	July 1, 2019 - January 1, 2020			3.00%	\$ -	\$ 25,000	March 31, 2019
B	January 2, 2020 – September 1, 2020			2.00%	\$ -	\$ 20,000	June 30, 2019
C	September 2, 2020 – September 1, 2021			1.00%	\$ -	\$ 15,000	December 31, 2019
D	September 2, 2021 - September 1, 2023			0.50%	\$ -	\$ 7,500	June 30, 2021

*Example: Marge was employed full-time in 1983 and left employment after 7 years. Marge later returned in another position and plans to remain for an additional 20 years full-time, making her total years of service 27 at the time of retirement. If Marge’s base salary on her last date of work on August 31, 2022 is \$45,000 (Retirement date = September 1, 2022), Marge’s retirement incentive will be calculated as: \$45,000 x 27 x 0.005 = \$6,075*

**Due to COVID-19 hardships experienced by employees, employees who previously submitted a notification for retirement in Window C who request an earlier retirement date of no later than January 1, 2021, shall be eligible for the Window B incentive calculation multiplier. To be eligible for the Window B calculation multiplier, the request for revision to an earlier retirement date must be received no later than September 30, 2020.**

**PAYMENT OF UNUSED SICK LEAVE**

Employees hired full-time prior to July 1, 2005, who have been employed full-time for ten (10) or more years may elect to be paid for a maximum of fifty-five (55) days of unused sick leave. Employees hired on or after July 1, 2005, may elect to be paid for unused sick leave at a rate of two (2) unused sick leave days per year of full-time service, not to exceed fifty-five (55) days. Employees will not be compensated for more unused sick leave days than accrued at the date of retirement. If the

employee elects this option; these days will not count as extended service credit with SURS. Payment of unused sick leave will begin as directed by the retiring employee in writing to the Director of Compensation and Benefits Services for as much as two (2) SURS years prior to retirement. Absent written direction from the retiring employee, unused sick leave compensation shall be included in the final pay. If an employee, after being granted payment for unused sick leave, requests and is granted continued employment, that person must repay all sick leave payments received to date immediately.

### **HEALTH INSURANCE FOR RETIRED EMPLOYEES**

Retiring employees may continue to participate in the group health insurance plan after retirement in accordance with COBRA. Following the COBRA period, retirees participate in the College Insurance Program for Retirees administered by Illinois Central Management System (CMS). Employees hired full-time after July 1, 2005, who retire from active full-time employment at the College and have been employed full-time for twenty (20) years, or employees hired full-time prior to July 1, 2005, who has been employed full-time for ten (10) years or more are eligible for partial premium refunds for the retiree and, if married, spouse coverage. Dependent eligibility shall be included for persons retiring on or before September 1, 2023. Those eligible will receive a refund equal to the difference between the rates within the retirees' College Insurance Program and the John A. Logan College insurance plan.

No reimbursement will occur unless the retiree's cost is higher than current employees' share of comparable coverage under the John A. Logan College plan. Employees ineligible for participation in the College Insurance Program due to SURS benefit plan selection but who would have otherwise been eligible for partial premium refund will be provided a premium refund not to exceed the refund had the employee been eligible for the College Insurance Program. Payments will begin upon receipt of a written request of such, which must be accompanied by verification of coverage. At the death of a retired employee, coverage will be extended to a surviving spouse if previously covered. Employees hired after January 1, 2013, are ineligible for premium reimbursement.

Employees currently retired shall continue receiving this benefit under the same conditions that existed at the time of retirement. Upon eligibility for Medicare benefits or other future healthcare program for eligible retirees, retirees must sign up for such coverage to cause their retiree plan to become secondary coverage. Failure to do so will result in the retiree being solely responsible for any additional increase to the cost of insurance coverage. The College will not take into consideration premiums paid for programs other than the College Insurance Program for community college retirees when calculating potential reimbursement.

CROSS REF.: ADMINISTRATIVE PROCEDURE 514A

The purpose of this benefit is to assist professional and executive support staff in reaching retirement eligibility and/or to eliminate early retirement pension reduction.

**ELIGIBILITY REQUIREMENTS**

1. Minimum service to the College of twenty (20) years of full-time service. Part-time service does not count toward meeting minimum service to the College.
2. The employee must present a written, irrevocable retirement letter to the College a minimum of six (6) months in advance of the retirement date. The letter is to be submitted to the Office of Human Resources and copied to the Office of the President.
3. The employee must need the additional service credit to either reach retirement eligibility or to eliminate an early retirement pension reduction as described in 40 ILCS 5/15-136(b). Service credit will not be purchased beyond the point that the total accumulated service credit exceeds thirty (30) years.
4. Eligibility will be based upon a first-come, first-served basis as described in the "Rationing" section below.

**REQUIRED EMPLOYEE CONTRIBUTION LEVELS**

1 Year	-	0%
1.01 - 2.00 Years	-	25% of the total cost of purchase
2.01 - 5.00 Years	-	50% of the total cost of purchase

Share of costs is determined by dollar (\$) cost, not years (#) of service credit.

Service credit purchased by the employee is eligible for reimbursement by the College. If service credit has been purchased in advance by the employee, the College will reimburse the employee in a manner as to provide the same benefit to the employee had s/he not purchased service credit in advance.

*Example: Because the cost of service credit increases dramatically over time, the employee elects to purchase 100% of three (3) years of eligible service credit ten (10) years in advance of the anticipated retirement date. The employee later submits a JALC retirement application and an irrevocable retirement letter, as provided for in this policy, and is determined eligible for the benefit outlined in this policy. The employee provides proof of purchase, including the amount paid, and is reimbursed for 50% of the cost of the past service credit.*

If the employee contribution is done through the SURS payroll reduction plan, the College will increase gross pay by the appropriate dollar amount necessary until the purchase is completed.

**MAXIMUM COLLEGE PURCHASES**

The maximum amount of service credit to be purchased by the College for professional and executive support staff is \$25,000 per year with the year defined as the period of August 1 – July 31. The maximum individual limit is \$12,500 per individual.

**RATIONING**

The benefit will be awarded up to the maximum individual and annual limitation expressed above. The benefit will be awarded based upon a first-come, first-served basis as determined by the date of receipt of the irrevocable retirement letter submitted in accordance with the instructions provided in the Eligibility section above. Should more than one (1) otherwise eligible employee irrevocable retirement letter be received on the same date, causing the annual maximum to be exceeded, the employee with the earliest full-time start date will receive first consideration.

The primary mission of John A. Logan Community College is educational instruction. Even so, there are various occasions when the College personnel do research and creative writing. Research and creative writing leads to new ideas; new ideas may lead to patents and copyright. It follows that in regard to patents and copyrights, which result from research or creative writing conducted by staff members with assistance and encouragement of the College, there should be an equitable distribution of credit and responsibility. Further, the College also has a responsibility to itself and to the public in regard to the type of research it sponsors and in obtaining from such research and creative writing, the greatest public benefit. The policy of the College concerning research, patentable discoveries, and copyrights, and the benefits that may accrue from such patents and copyrights is as follows:

- A. Independent Research and Writing. Research or writing conducted by a staff member on his own time and at his own expense shall be termed "Independent Research and Writing."
  1. No claims or restrictions shall be placed by the College on any copyrights, patents, patent rights, or discoveries obtained as the result of independent research.
  2. The individual researcher or writer, however, may voluntarily assign all of his or her claim to the results of such research or writing to the College.
  
- B. College-Sponsored Research and Writing. Research and writing conducted by a staff member with the help of the College, either in the form of a grant or grants or in the time assigned to research or write, or both, shall be termed "College-Sponsored Research and Writing."
  1. If the College's aid does not exceed ten percent (10%) for an individual's research or creative writing, either in actual funds or in salary for the assigned time, or in both together, the College shall not be considered to have established a right to share in the results.
  2. In such cases where the College commissions the faculty work, the College pays such person to do the work and thereby acquires ownership in the same. Royalties or profits resulting from the work are to be divided between the College and the faculty member.
  3. Staff members shall have the responsibility of reporting to the proper College authorities any possible invention or creative writing coming from College-sponsored research, which should be protected by patent or copyright.
  4. If the College determines not to assert a claim to possible patent or copyright materials, the College may release its proprietary interest to the researcher or writer of record.
  5. The College or its designated agent shall assume all responsibility for protecting or promoting property rights to patents and copyrights developed with the financial support of the College unless the College elects to release its proprietary interests to the individual researcher or writer. If the College utilizes a patent or copyright management firm and such a firm assumes a part or all of the costs of patenting or copyrighting, distribution of royalties shall be agreed to by the College, the management firm, and the inventor or writer.
  6. The researcher or writer shall be responsible for obtaining appropriate written releases from individuals identifiable in, or in some manner requested to participate in, the creation of College-sponsored materials or inventions. Written statements shall also be obtained from appropriate College personnel indicating that to the best of their knowledge, all materials developed did not infringe on existing copyrights, patents, or other legal rights.

7. Each employee/inventor/writer will supply all information and execute all papers necessary for the purpose of presenting patent applications on inventions/discoveries or copyright materials covered under this policy.

**INTRODUCTION**

The purpose of this policy is to clarify the conditions under which John A. Logan College, hereafter known as the “*employer*,” may place an employee on modified duty and to provide guidance to the departments for administering the policy consistently. The employee is responsible for informing all health care providers of the “*employer’s*” modified policy.

**SCOPE OF THE POLICY**

This policy *may* apply to all full-time and part-time employees who have a temporary disability arising from a work-related injury or condition which temporarily prohibits them from performing full job duties or meeting the essential job functions of the position. **Employees with chronic or permanent disabilities are excluded from this policy.** The assignment of modified duty is solely at the “*employer’s*” discretion and not a right.

**RESPONSIBILITY FOR THE POLICY**

The “*employer*” is responsible for monitoring the administration of this policy. All requests for modified duty assignments must include the physical or medical restrictions, which will be reviewed by the “*employee*” and/or their physician. The “*employer*” will determine the availability of assignments and monitor the employee’s progress in returning to full duty.

**DEFINITION OF MODIFIED DUTY**

Modified duty is defined as temporary work, which can be accomplished by an injured or ill employee within the stipulated medical or physical limitations, and without exposing others or *himself/herself* to the risk of being harmed. Modified duty is further defined as temporary work, which, when accomplished, will contribute to the fulfillment of the mission of the department as distinguished from “make work” assignments created solely to accommodate ill or injured employees.

**PHYSICAL CONDITIONS OF THE EMPLOYEE**

The “*employer*” may consider providing an employee modified duty work for reasons including but not limited to the following:

1. To assist an employee in recuperating from a temporary illness or injury by reintroducing them gradually to the demands of full duty work.
2. To avoid placing a temporarily disabled employee in positions that may aggravate the existing injury or illness or risk harm to themselves, co-workers, or to other persons or property, by assigning them work they can perform within the restrictions of the treating health care provider.
3. *To conserve resources by having a recuperating employee accomplish meaningful work that is otherwise performed by the regular workforce.*
4. To assist in determining an employee’s fitness for duty.

**NO “MAKE WORK” ASSIGNMENTS**

Based on the aforementioned objectives, there is no intention of creating “make work” assignments for any employee, regardless of the employee’s physical condition, disability or illness. Employees assigned to modified duty are placed in full-pay status and expected to perform a fair day’s work in a function that substantially contributes to the mission of the “*employer*.”

**AVAILABILITY OF MODIFIED DUTY WORK**

There is no right to modified duty work, and no employee will be removed from a *John A. Logan College* job to make modified duty work available for a recuperating employee. The availability of modified duty assignments may limit the number of individuals who can perform such work at any given time. Finally, there may be instances where modified duty is not available.

**CASE-BY-CASE CONSIDERATION**

Each case of eligibility for a modified duty assignment is considered independently of any other past or present assignments. Thus, the circumstances of each case, the needs of John A. Logan College, the availability of assignments, and the nature of the work shall determine an assignment being made.

**LOSS OR FORFEITURE OF WORKERS' COMPENSATION BENEFITS**

Subject to any determination of an Arbitrator adjudicating the employee's worker compensation benefits, an employee shall lose or forfeit the worker's compensation benefits if the worker chooses to do either of the following:

1. The employee fails to notify the "*employer*" of the employee's release for modified duty by the employee's treating health care provider.
2. The employee is released for modified duty but refuses the modified duty assignment.

Professional staff positions are defined in the following categories: Senior Administrators, Administrators, Managers, and Professionals, and they require at least a bachelor's degree or the equivalent in work experience or training for unique and high-demand occupational fields.

A full-time position shall be defined as one created for 30 or more hours per week, and the employee will be regularly employed for a continuous period of nine (9) or more months per year.

A part-time position shall be defined as one created for less than 30 hours per week or any number of hours per week if the employee is not regularly scheduled to work for nine (9) consecutive months.

Employees will be considered to be employed on a probationary basis during the first ninety days of service from the first date of work. After ninety calendar days of employment, they will be considered to be regular employees unless the probationary period is extended.

### **RECRUITMENT AND HIRING**

**The College is committed to cultivating a community of talented employees from diverse backgrounds who contribute to fulfilling our mission, vision, philosophy, and core values. The Board will regularly monitor progress toward increasing the representation of individuals from historically underrepresented populations at all levels of the institution. The Board directs the College to implement policies and procedures that help identify and mitigate bias and discrimination throughout the hiring process. The College strives for its overall composition of faculty and staff to better represent the diversity of our students and district.**

### **CRITERIA FOR CREATING A POSITION**

The basic principles behind the formulation of these criteria are to determine what the College can afford to pay to have particular tasks accomplished and to provide equity among the various positions within the College based on the contribution made by that position.

Each position shall be classified according to its responsibilities, duties, and required qualifications. The basic minimum qualifications needed to perform the functions of the position should be established when the position is created.

The College expects all candidates who are hired for professional staff positions to have credentials that exhibit their ability to perform the duties required. The level at which a position is started is determined by well-defined, written duties, as well as essential job functions and credentials.

The assignment of positions to a classification level listed in Administrative Procedure 522 – Professional Staff Employment Levels must be approved by the appropriate Vice-President, Provost, and the President.

All job titles shall correspond with a classification level in Administrative Procedure 522A.1 – Professional and Executive Support Staff Salary Schedule that is reported to the Board of Trustees on a biennial basis.

### **PROMOTIONS**

The College is committed to the concept of advancing its employees in a fair and equitable manner. Promotion from one position to another shall be based on education, past work performance, references, and the results of a job interview. In addition, supervisors are charged with the responsibility of properly evaluating the candidates in an effort to hire qualified employees who provide the best match for the job.

**RECLASSIFICATIONS**

Under some circumstances, positions may be reclassified or upgraded to meet the changing needs of the College. Positions may be considered for reclassification if employees are asked to assume substantial additional duties and responsibilities on a permanent basis, including supervision and evaluation of personnel. Proposals for reclassification must be justified, well-documented, and submitted through the proper channels for approval.

**TEMPORARY STATUS CHANGES**

College employees may be temporarily transferred to another position or promoted to a higher grade to maintain essential services considered to be in the best interests of the College. Temporary appointments shall be made for a period of time not to exceed one calendar year. Recommendations to fill a temporary vacancy must be made through the proper channels for approval. Staff assigned to a temporary position, in addition to their base position, shall be compensated by a stipend regulated in Administrative Procedure 522A.1 – Professional and Executive Support Staff Salary Schedule.

**LATERAL POSITIONS**

Supervisors may assign employees to lateral positions within the departments to meet the needs of a particular section or office or to accommodate requests from individual employees. Employees making lateral moves will not be eligible for additional compensation. Those seeking a lateral move to another department must follow the normal college hiring procedures. Recommendations for lateral moves must be submitted through the proper channels.

A merit bonus of a maximum of five percent of an individual's annual salary may be awarded to a professional staff member. This merit bonus will be awarded for meritorious service to the College. The increase will be added in one lump sum to the individual's salary only for the fiscal year in which it is awarded. It is not added to the base salary, nor is it carried over to the next fiscal year.

The merit bonus may be awarded for service as the result of a particular project, or it may be awarded for excellence of performance over a period of time in a variety of routine and special tasks performed for the College. Additional expertise gained by the individual through formal course work and/or advanced degrees may be considered, and professional development through workshops/seminars and other related activities may be a factor.

Recommendations for this merit bonus award must originate with the individual's immediate supervisor. The President has the authority to accept or reject all recommendations for merit-bonus increases for employees who do not report directly to him. For employees who report directly to the President, the President will make recommendations for merit-bonus awards, subject to the approval of the Board of Trustees.

Documentation must include specific services performed by the employee that are above the normal expectations of the employee's job, or the documentation must show that the employee performs the normal functions of the job in such a superior fashion that it is beneficial to the College.

This merit-bonus incentive will be awarded in one payment and will not become part of the employee's base salary. This merit-bonus award is available to employees upon recommendation of the employee's supervisor and approval by the President.

John A. Logan College is committed to protecting the job rights of employees absent on military leave. In accordance with the Uniformed Services Employment and Reemployment Rights Act (USERRA), no employee or prospective employee will be subjected to any form of discrimination on the basis of that person's membership in or obligation to perform service for any of the Uniformed Services of the United States. The College will not deny employment, re-employment, retention in employment, promotion, or any benefit of employment to an individual on the basis of his or her military service. Additionally, the College will not retaliate against an individual by taking any adverse employment action against him or her because the individual has taken an action to enforce a protection afforded any person under USERRA.

As directed by the Illinois Military Leave of Absence Act, any full-time employee of John A. Logan College who is a member of any reserve component of the United States Armed Forces or of any reserve component of the Illinois State Militia, shall be granted leave from his or her employment for any period actively spent in military service, including:

- (1) basic training;
- (2) special or advanced training, whether or not within the State and whether or not voluntary, and
- (3) annual training.

During these leaves, the employee's seniority and other benefits shall continue to accrue. The employee must notify the College of their intention to perform military service as far in advance as is reasonable under the circumstances. The employee should provide copies of official orders or documentation of the nature of the leave.

#### **ANNUAL TRAINING**

During leaves for annual training, the part-time or full-time employee shall continue to receive his or her regular compensation as a College employee.

#### **OTHER TYPES OF TRAINING**

During leaves for basic training and up to 60 days of special or advanced training, if the full-time employee's compensation for military activities is less than his or her compensation as a College employee, he or she shall receive his or her regular compensation as a College employee minus the amount of his or her base pay for military activities. For calculation purposes, the employee must provide the College with documentation of his or her rank and years of military service (a military pay stub is preferred). For any military differential payments made, the College will follow IRS regulations for tax reporting purposes.

#### **ACTIVE DUTY**

Any full-time employee of John A. Logan College who is mobilized to active duty shall continue during the period of active duty to receive his or her benefits and regular compensation as a College employee, minus an amount equal to his or her military active duty base pay. This will also be considered military differential pay for IRS purposes.

**ACCRUED LEAVE TIME**

A full-time employee shall continue to accumulate leave time during the period of active duty for use upon return from leave. At their request, employees will be allowed to use any previously accrued vacation or personal leave with full pay toward uniformed service time. However, the College will not require employees to use paid vacation or personal leave to apply toward a uniformed service leave.

**INSURANCE BENEFITS**

Under USERRA guidelines, employees on military leave who are enrolled in the health care plan have the right to elect continuation coverage for themselves and their covered dependents similar to the rights under COBRA. This election under USERRA may continue for up to twenty four (24) months. While on military leave, the College will continue to pay its share of health insurance premiums. The employee will continue to pay only their normal portion of the premium.

**PENSION BENEFITS**

After return from leave, the employee should contact SURS to provide appropriate document of completion of service. If the employee provides a SURS receipt showing payment for any missed contributions, the College will reimburse the employee for the percentage of the contributions related to their military base pay, but not for any contributions related to differential pay. To qualify for this assistance, the employee has up to three (3) times the period of service – not to exceed five (5) years - to make up missed contributions.

**REINSTATEMENT**

For the purpose of reinstatement, both full-time and part-time employees, upon their return, are entitled to apply for reemployment or reinstatement. This should be done with the College's **Office of Human Resources** in a timely manner in accordance with USERRA guidelines. Based on USERRA eligibility criteria and guidelines, the individual will be entitled to "prompt reemployment".

Upon return to the College, the employee's salary shall be reinstated and shall be adjusted for any pay or experience increases that were awarded to other members of the employee group or bargaining unit while the individual was on military leave. The employee is entitled to any seniority and seniority-based rights that the employee would have attained if he or she had remained continuously employed. In addition, employees returning to work are entitled to be reinstated under the College's health insurance coverage as if they had never left.

All faculty employed after June 30, 1987, for whom English is not their native language or other part-time faculty employed prior to that date for whom substantial complaints are received as determined by division chairpersons and the vice-president for instructional services shall demonstrate oral proficiency through a passing score on the Speaking Proficiency English Assessment Kit (SPEAK) test of spoken English as administered by the College. Individuals who fail the SPEAK test may elect to retake the exam at a later date; however, the cost of administering the exam shall be borne by the faculty member or applicant. Applicants who fail the exam will not be hired. Currently employed part-time instructors will not be rehired until proficiency is demonstrated.

#### **ASSESSMENT OF ORAL ENGLISH LANGUAGE PROFICIENCY**

The Speaking Proficiency English Assessment Kit (SPEAK) is a product of the Test of English as a Foreign Language (TOEFL)\* program, which is sponsored by the Educational Testing Service. It is an off-the-shelf product for administering and scoring the Test of Spoken English and was developed in response to the interest expressed by many institutions as an instrument to assess the spoken English proficiency of foreign teaching assistants and other international students. Because the kit includes rater training materials as well as testing materials, results from the test can be obtained without delay.

The purpose of the test is to evaluate the spoken English proficiency of persons whose native language is not English. The original test was developed as the result of an extensive TOEFL research effort involving the development and experimental administration of a variety of test formats and question types designed to measure English-speaking proficiency. The test provides direct testing of speaking proficiency in English--direct in the sense of requiring the examinee actually to speak in English--in a format that retains a high degree of validity inherent in face-to-face interview procedures while virtually eliminating subjective measurement problems associated with direct interviewing.

All responses for the test are spoken; examinees do not write at any time during the test. Each examinee is given a test book at the beginning of the test session and asked to read a set of general instructions before starting the test. During the test, the examinee listens to instructions and questions recorded on the test tape. The responses given by the examinees are recorded on a separate answer tape. The test can be completed in about 20 minutes. Answers are rated on three diagnostic areas--pronunciation, grammar, and fluency and an overall comprehensibility score. There are no passing or failing scores for this test. Each institution must determine which scores reflect acceptable English speaking proficiency skills for its own purposes.

\* The TOEFL program is under the direction of a policy council established by and affiliated with the College Board and the Graduate Record Examination Board.

The concept of release time is designed to utilize faculty talent, energy, and insight to facilitate the mission of the College and to accomplish specific aims and objectives consistent with the established mission and goals of John A. Logan College. Release time may be granted for professional activities of College-wide or district-wide significance that may be achieved in whole or in part by drawing upon the expertise of full-time teaching faculty. Such activities are considered beyond the normal teaching responsibilities and other obligations of full-time faculty that may be delineated elsewhere in College policy or the faculty contract. Other professional activities on a smaller scale may also be considered for the award of release time based on documented need and availability of human and material resources.

The following guidelines and procedures will apply to the concept of release time.

1. Release time will normally be restricted to six (6) hours per semester maximum, including any release time for grant activities. There is no restriction on release time when such release time is to be compensated under the grant **or partnership with an external entity**.
2. The President, at his discretion, may approve up to three (3) additional hours per semester for short-range activities, other than grant activities, of one year or less.
3. Release time will be approved in increments of no more than two (2) semesters in length.
4. Any faculty member interested in pursuing release time activities must reapply each year even though the activity or project is of a continuing nature.
5. The administration and/or Board of Trustees may request that faculty members accept release time to pursue specific, identified objectives.
6. Release time will not be available during the summer term except for individuals listed as a principal investigator for a grant and/or key grant personnel as defined by the College grant officer.
7. All requests (applications and/or proposals) for release time must clearly justify the need for the release time and describe in detail the nature of the planned activity.
8. The following procedures will be used in calculating release time:
  - a. One hour of release time will be considered equivalent to 2.6 clock hours, and this is based on the assumption that a teacher will spend one hour in the classroom for a one-credit hour class and 1.6 hours outside the classroom in preparation and maintaining office hours.
  - b. Faculty requesting three hours of release time must use the following formula to arrive at the number of clock hours required to complete the proposed project or activity for each semester:
$$3 \text{ hours} \times 2.6 = 7.8 \text{ clock hours}$$
$$7.8 \text{ clock hours} \times 16 \text{ weeks} = 124.8 \text{ clock hours}$$
  - c. As a result of the above calculation, faculty who are granted three hours of release time for one semester would be expected to prepare a proposal that would incorporate 125 clock hours of work on the approved project or activity.

9. Release time for all faculty must be documented as specified on the Request for Release Time form, and such release time must be reflected on the payroll records of the College.
10. When a release time activity is completed, written documentation must be provided by the faculty member to the Vice-President for Instructional Services indicating that the project is completed. Accomplishments and/or results must be listed.
11. All requests for release time must be submitted on the Request for Release Time form and must be in the hands of the faculty member's immediate supervisor a minimum of six weeks in advance of the start of the release time project. This is necessary in order to provide expedient and competent coverage for a full-time faculty member's teaching load.
