Classes held in public schools do not meet on days that those schools are not in session due to holidays, snow days, etc., but this time must be made up through special arrangements with the school administration. There will be no classes in community education when the regular College credit classes are not in session. **Examples:** Thanksgiving, Christmas, Spring Break, Snow Days, the Friday and Saturday prior to Easter, Independence Day, Labor Day, Veterans Day, Martin Luther King's Birthday, Lincoln's Birthday.

Please note that the College is on spring break during one week in March. All Community Education classes during this week should be rescheduled. If you have had to miss a class or two already due to sickness, weather, etc., **make sure you let the CE Office and your students know.**

Any classes missed during the semester must be made up either by adding additional time to another session or by adding an additional class meeting. The Office of Community Education should be notified of any missed classes and the makeup session.
