FUND DESCRIPTIONS

John A. Logan College has two Operating funds: the Education Fund and the Operations and Maintenance Fund. The Education fund works in combination with the Operations and Maintenance fund to make up the College's General Fund.

EDUCATION FUND

The Education Fund is used to account for the revenues and expenditures of the academic and service programs of the college. It includes the cost of instructional, administrative, and professional salaries; supplies and moveable equipment; library books and materials; maintenance of instructional and administrative equipment; and other costs pertaining to the educational programs of the college.

OPERATIONS AND MAINTENANCE FUND

This fund is used to account for expenditures for the improvement, maintenance, repair, or benefit of buildings and property, including the installation, improvement, repair, replacement, and maintenance of the building fixtures; interior decoration; rental of buildings and property for community college purposes; payment of all premiums for insurance on buildings and building fixtures. If approved by resolution of the local board, the payment of salaries of janitors, engineers, or other custodial employees; all costs of fuel, lights, gas, water, telephone service, custodial supplies, and equipment; and professional surveys of the condition of college buildings are allowed.

OPERATIONS AND MAINTENANCE (Restricted)

This fund is utilized to account for monies restricted for building purposes and site acquisition. This fund primarily will be expending bond proceeds acquired for the new building project, protection, health and safety levies, plus transfers from operating funds and interest earnings. Funds are provided in the Operation and Maintenance (Restricted) for completion of approved protection, health, safety projects.

AUXILIARY ENTERPRISES FUND

The Auxiliary Enterprises Fund accounts for college services where a fee is charged to students/staff and the activity is intended to be self-supporting. Examples of accounts in this fund include food services, bookstore, copy/supply center, and intercollegiate athletics. Subsidies for Auxiliary Services by the Education Fund should be shown as transfers to the appropriate account.

LIABILITY, PROTECTION AND SETTLEMENT FUND

This fund accepts special levies for tort liability, property insurance, Medicare insurance, FICA taxes and workers' compensation. The monies in this fund should be used only for the payment of tort liability, property, unemployment or workers compensation insurance or claims, and the cost of participation in the Federal Medicare program. Expenditures in this fund include insurance costs for property and casualty, and the cost of maintaining and expanding the Campus Safety operations. The College will include attorney fees pertaining to liability protection plus a portion of staff members' time that are active in the functions of this fund.
