Step 1 – Student Information

2024-2025 Student Special Circumstance Form

Federal Student Aid Regulations provide the potential for re-evaluation if your financial circumstances change. The 2022 income information that you reported on your financial aid application may not be an accurate indicator of your ability to pay for educational costs. Bring this form along with the **required supporting documentation** to the appointment. Submission of this form does not guarantee a change in your financial aid eligibility. Each case will be evaluated on an individual basis. **Note: Only one Special Circumstance Form will be accepted for an academic year.**
