The Illinois Community College Board, as the state coordinating board for community colleges, administers the Public Community College Act in a manner that maximizes the ability of the community colleges to serve their communities. Its mission is to promote cooperation within the system and accommodate those State of Illinois initiatives that are appropriate for community colleges; to be accountable to the students, employers, lawmakers, and taxpayers of Illinois; and to provide high-quality, accessible, cost-effective educational opportunities for the individuals and communities they serve.

The Illinois Community College Board consists of eleven members appointed by the Governor and confirmed by the Senate for six-year terms. One student member is selected by the ICCB Student Advisory Committee for a one-year term. The Board Chair is selected by the Governor.

Four organizations representing various community college constituents in the state have been designated as official advisory groups to the Illinois Community College Board: the Illinois Council of Community College Presidents, the Illinois Community College Trustees Association, the Illinois Community College Faculty Association, and the ICCB Student Advisory Committee.
