XI. CONSENT AGENDA (Voice Vote)

A. Request for Proposals – Copiers (Attachment V)

The College's current five-year copier lease will expire December 31, 2006. Proposals for copiers were requested from vendors via public notice in the Southern Illinoisan and correspondence to vendors listed in the yellow pages. A pre-proposal meeting was held on September 13, 2006, attended by nine companies. Four proposals were received. (See Attachment V.) All proposals were reviewed by Kim Dixon, Dean for Financial Operations; Cindy Russell, Director of Word Processing; and J. P. Barrington, Vice-President for Business Services. Kim and Cindy contacted vendors to insure a complete understanding of each proposal.

Recommendation: Based on analysis of the proposals received, the administration is recommending that the Board of Trustees approve the proposal submitted by IKON, Inc., Chesterfield, Missouri, including Alternates 1, 3, 4 and 5, and that the administration be authorized to enter into a contract for this service.

Under this proposal, IKON will install thirty-four digital copiers on campus, an addition of two copiers from our current contract level, plus networking capabilities for the Admissions Office. G. Approval of Additions to Joint Agreement with Illinois Eastern Community College (Attachment X)

John A. Logan College currently has a joint agreement with Illinois Eastern Community College District No. 529 for the purpose of better meeting the needs of all students in the two college districts. The agreement gives students an opportunity to take classes that are not available at their own college without paying out-of-district tuition. It is desirable at this time to revise the Joint Agreement with Illinois Eastern Community College for the purpose of adding Architecture Technology – AAS Degree; Educational Interpreting Professional (Online) – Certificate; and Graphics Design – Certificate to the classes that students from Illinois Eastern may take at John A. Logan College. These were the only revisions to the agreement and the revised document may be found in its entirety in Attachment X.

XII. NEW BUSINESS

A. Debt Certificates (Consideration and Possible Action)

Information related to this agenda item has been previously provided to each Board member. This agenda item is being presented for consideration and possible action on a Resolution for an Installment Purchase Agreement and authorizing and providing for the issuance of General Obligation Debt Certificates (Limited Tax).

B. New Board Policies: #3111 – Statement of Philosophy; #3112 – Statement of Core Values; and #3113 – Statement of Vision (Attachment XII) (No Action – For Review and Possible Action at the November Board Meeting)

When the Board of Trustees adopted an abbreviated version of the College's Mission and Goals Statement in 2004 (Board Policy #3110), the Philosophy Statement was removed from the policy at that time. Parts of the old mission statement that had incorporated language from the Leadership and Core Values initiative were also eliminated. The Core Values are very important to the College and are visible in our hallway displays and printed materials. The College's philosophy is still referred to from time to time. In preparation for the Higher Learning Commission site visit, the administration feels it is desirable to re-instate the College's Statement of Philosophy in the Board Policy Manual as #3111, and the Statement of Core Values as #3112. Through the self-study process for accreditation, a vision statement for the College has also been formulated. It is desirable for the Board of Trustees to approve this vision statement for the College as Board Policy #3113.

Proposed Board Policies #3111–Statement of Philosophy; #3112–Statement of Core Values; and #3113–Statement of Vision are included as Attachment XII.

Recommendation: That the Board of Trustees review proposed Board Policy #3111–Statement of Philosophy; Board Policy #3112–Statement of Core Values; and #3113–Statement of Vision as contained in Attachment XII, and consider for action at the November Board meeting.
