XI. CONSENT AGENDA (Voice Vote)

A. Microsoft Software Licensing

John A. Logan College uses computers that run Microsoft Windows operating systems and Office software. The College has purchased Microsoft Campus Agreement annual licensing in past years. The name Campus Agreement has been changed to Enrollment for Education Solutions (EES). This agreement allows all College computers to use Windows and Office software products. The agreement also provides options for College employees to use

Office on their home computers. In addition to Windows and Office, EES will include server licensing for SharePoint, SQL, Exchange, Windows Data Center, and System Center Configuration Manager (SCCM).

In 2009, a purchasing consortium of Illinois community colleges purchased Campus Agreement (now EES) through CDW-G and garnered savings below what JALC was previously able to attain. The College's renewal date is September 1, 2011.

Recommendation: That the Board of Trustees approve the College to continue as part of the consortium utilizing CDW-G as the vendor to purchase Microsoft Enrollment for Education Solutions 12 month licensing for the amount of \$47,770.66 from CDW-G.

B. Renewal of Community Partner Agreement with *Southern Business Journal* (Attachment IV)

It is desirable to renew the College's Community Partner Agreement with the *Southern Business Journal* for the period of May 1, 2011 through April 30, 2012. This has proven to be a very positive relationship for the College, resulting in a great deal of excellent publicity both in print and through exposure of the College's facilities. The value of the College's investment is \$18,000 per year. However, the *Southern Business Journal* gives the College an \$8,000 trade for use of facilities for the Community Leaders' Breakfasts each year, leaving a cash balance owed of \$10,000. This amount is billed monthly in \$833.33 increments, and represents no increase from previous agreements.

Recommendation: That the Board of Trustees approve renewal of the College's Community Partner Agreement with the *Southern Business Journal* for the period of May 1, 2011 through April 30, 2012, for a total cash amount owed of \$10,000, and that the administration be authorized to pay this amount in monthly increments of \$833.33.

XII. OLD BUSINESS

A. Adoption of 2011-12 Budget (Roll Call Vote)

The tentative budget for the 2011-12 academic year was approved at the June meeting and a public meeting will be held at 6:30 p.m., August 23, 2011, in the College Board Room. Based on the results of the hearing, I would recommend the following resolution be adopted by the Board of Trustees:

Notice of hearing was given at least thirty days prior thereto as required by law and all other legal requirements have been complied with.
NOW THEREFORE BE IT RESOLVED by the Community College Board of said District as follows:

XIII. NEW BUSINESS

A. Adoption Of Resolution to Change Williamson County Enterprise Zone Property Tax Abatement From a Ten-Year Abatement to a Five-Year Abatement Period (Voice Vote)

The Greater Egypt Regional Planning and Development Commission is requesting that the John A. Logan College Board of Trustees take action to change the Williamson County Enterprise Zone property tax abatement from a ten-year abatement to a five-year abatement period.

Recommendation: That the Board of Trustees adopt the following resolution as provided to change the Enterprise Zone Property Tax abatement from a 10-year abatement to a 5-year abatement period.

RESOLUTION

WHEREAS, the Williamson County Board, and the Cities of Carterville, Herrin, Johnston City, Marion, and the Villages of Cambria, Crainville and Energy have made known to

John A. Logan College that the Enterprise Zone was extended for 10 years to end June 30, 2021 for a portion of territory which lies within Williamson County.

WHEREAS, both the initial designation of an Enterprise Zone pursuant to the Illinois Enterprise Zone Act, Ill. Rev. Stat., ch 67 ½, par 601 et seq., and the eventual success of an Enterprise Zone depend upon community support and the nature of incentives to be offered; and,

WHEREAS, this public taxing authority finds that Enterprise Zone designation will serve the interest of all local taxing authorities and the entire community by stimulating economic revitalizations.

NOW, THEREFORE, BE IT RESOLVED BY JOHN A. LOGAN COLLEGE, COMMUNITY COLLEGE DISTRICT #530, AS FOLLOWS:

The John A. Logan College Board of Trustees hereby authorizes and directs the County Clerk to abate that portion of its taxes on real property located in the Williamson County Enterprise zone resulting from an increased assessed valuation which is attributable to the construction of improvements or to the renovation or rehabilitation of existing improvements and subject to the following limitations:

- (a) The abatement shall apply only to the taxes corresponding to an increase in assessed valuation after improvements (either new construction or renovation or rehabilitations) have been duly assessed to exceed \$10,000 market value and said abatement shall not exceed the amount attributable to the construction of the improvements and the renovation or rehabilitation of existing improvements.
- (b) The abatement shall pertain only to that parcel within the Enterprise Zone which has been improved after the designation of the Enterprise Zone provided, however, that no such abatement shall be applicable to any such improvement project located within the boundaries of the Tax Increment Redevelopment Project District.
- (c) Such abatement shall be at the rate 100% of the value of the improvements for the assessment year in which the improvements are made, 80% for the third year, 40% for the fourth year, and 20% for the fifth year. The provisions of this five year abatement apply only to improvements (new construction/renovations/rehabilitation) which start on or after the effective date of the extension, which will be July 1, 2011. This incentive is in effect from July 1, 2011 to June 30, 2016.
- (d) The abatement is allowed only for improvements, the nature and scope of which building permits are required and have been obtained.
- (e) While the abatement is in effect (July 1, 2011 – June 30, 2016), this public taxing authority will continue to receive all taxes corresponding to the equalized assessed valuation for the tax year immediately preceding commencement of the project.

This Resolution is hereby adopted at a regular meeting of the Board of Trustees of John A. Logan College on the 23rd day of August, 2011.

C. Establishment of Date and Time for Special Board Meeting (Voice Vote)

It is desirable to set the date and time for a special board meeting to be held in September for the purpose of interviewing the finalists for vice-president for instruction. The Search Committee's schedule calls for this meeting to take place sometime between September 1 and 15. Another possible need for action at that meeting would be board approval of a second agreement with Southern Illinois Health Care. The initial Memorandum of Understanding with SIH was approved at the June Board meeting, and this will be the second step in the College's collaborative effort with SIH to establish an educational and simulation center on the JALC campus.

Recommendation: That the Board of Trustees set a date and time for a special board meeting for the purpose of interviewing finalists for the vice-president for instruction and possible action on a second collaborative agreement with Southern Illinois Healthcare.
