Addendum #1

March 5, 2026,

Subject: Addendum #1 to RFB B26-0226-05 – Hoffard Pond and Mirror Pool Dredging

You must acknowledge the receipt of this addendum and any future addenda in your final bid response on the form provided on page 11 of the bid document.

Reason for Addendum: A pre-bid meeting was held on March 2, 2026, at 1:00pm in the E252 conference room. As a result of conversations leading up to and during this meeting, John A Logan College wishes to add the following changes to the bidding timeline:

- 1) JALC will extend the deadline for bid submissions to April 10, 2026, at 11:00 A.M. Central Time in the E252 conference room. Bids will be opened at that time. The College has determined we may need to conduct a sediment survey to obtain more accurate pond measurements and sediment volume and provide drawings as requested during the pre-bid meeting.
- 2) The revised bid due date will push this project award to the next regular board meeting for approval which is scheduled on April 28, 2026, at 6:00pm.
- 3) As a result of the extended bid deadline, JALC would like to also extend the deadline for questions. Bidders may continue to forward any questions relative to this project via email to purchasing@jalc.edu through April 2, 2026, at 12:00 P.M. (Noon).

Questions asked during the pre-bid meeting, as well as those received via email to date regarding the project, will be addressed in a second addendum with corresponding responses from the College.
