NOTES AND INFORMATION

¹ Requires a grade of “C” or higher.

Career Opportunities: The program will prepare graduates to enter the profession of Digital Media Technology in Video Systems Technicians, Video Graphics, Special Effects, and Animation, Audio-Video Designers and Engineers, Audio – Video System Service Technicians, Desktop Publishing Specialists, Web Page Designers, Graphic Designers, Commercial Artists, Illustrators, Production Managers, Audio/Video Operations, Control Room Technician, Broadcast Technicians, Merchandising Managers, Visual Merchandise Managers and Interactive Media Specialists. The program is primarily targeted toward traditional high school graduates with interests in modern digital media creation. However, many of the courses included in the program guide stand on their own as skills learning courses that could be used to provide needed training for someone in an existing career, or an opportunity for previous graduates of the Graphic Design program to add to their skillset.

Beginning salaries are comparable to other technical careers with the possibility of advancement within a particular company. A job placement service is provided for all John A. Logan College graduates to help students find employment.

John A. Logan College reserves the right to modify this curriculum guide as needed. Please verify with your academic advisor the accuracy and timelines of this document.
