

## Orientation (ORI)

### **ORI 100A College Fundamentals**

1 Hour

Prerequisites: None

2 hours weekly (1-0)

This course is designed to help new students successfully transition to college life and develop the skills needed for academic and personal success. Students will build a strong foundation for their college journey, develop connections with peers and faculty, and create a plan for achieving academic and career goals.

### **ORI 100B College Fundamentals**

1 Hour

Prerequisites: None

2 hours weekly (1-0)

This course is designed to help STEM-oriented students in their transition to college. Students will learn about the resources and services available at John A. Logan College and other higher education institutions, as well as the expectations and challenges of being a STEM-oriented college student. They will also gain important skills that are required to achieve success in math- and science-based college coursework.

### **ORI 100C College Fundamentals**

1 Hour

Prerequisites: None

2 hours weekly (1-0)

This course is designed to help applied tech-oriented students in their transition to college.

Students will learn about the resources and services available at John A. Logan College and other higher education institutions, as well as the expectations and challenges of being an applied tech-oriented college student. They will also gain important safety skills that are required to achieve success in applied tech-based college programs.

### **ORI 111 PN Orientation**

.5 Hour

Prerequisites: Admission to LPN program

.5 hours weekly (.5-0)

This course introduces the student to the concepts and requirements of the License Practical Nursing Program. Students will learn the expectations of both John A. Logan College and the Nursing Department. Topics discussed include the John A. Logan College mission and values, the social media policy, HIPPA violations, course, lab and clinical requirements, ATI testing procedure, criminal background checks and drug screening.

### **ORI 212 ADN Orientation**

.5 Hour

Prerequisites: Admission to ADN program

.5 hours weekly (.5-0)

This course will introduce students to the ADN program entry requirements for classroom, labs, and clinicals.
