& One College Level
Math Class**

By End of 1st Semester

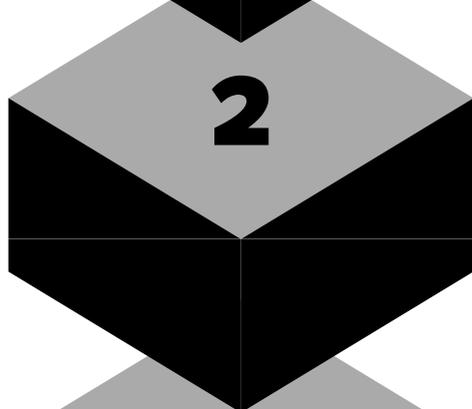

By End of 1st Year

Tracking & Intervention

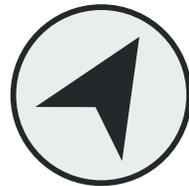

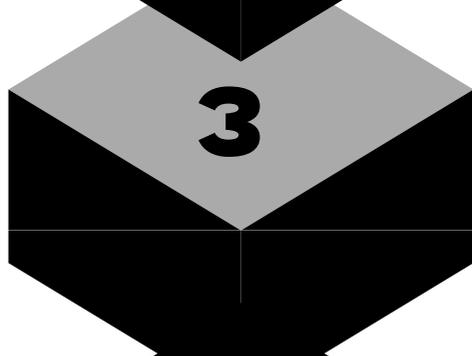

Tracking: Identify students listed as undecided once registration closes.

Intervention: One on One meeting with Career Services for Career Exploration Journey assessment and conversation before registering for the next semester.

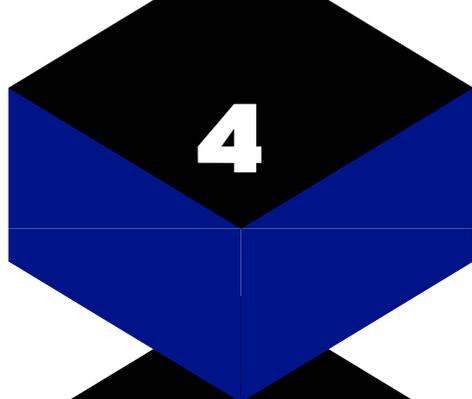

Tracking: Emailing students at the beginning of the semester to invite them for one on one meeting to discuss challenges and resources. Work with new Student Success Navigator.

Intervention: One-on-One meeting with Academic Advisor for student success plan, including academic plan any referrals for tutoring, or other services.

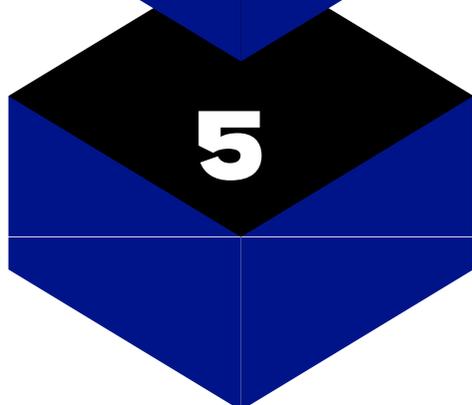

Tracking: Identify students who do not have Orientation 101 (ORI 101) or First Year Here (FYH) on their schedule. Or if they failed it their first semester. Develop FYH.

Intervention: Meet with academic advisor and get into ORI 100 or FYH.

Tracking: Academic and Student Affairs working collaboratively to track enrollment numbers to be responsive to course offering needs.

Intervention: Advisor get students in appropriate English and Math. Pre-advisement conversations about why to enroll in those early.

Tracking: Advisors follow up with students who aren't meeting those hours to encourage picking up a class or enroll in summer.

Intervention: Follow 15 to Finish - Advisor meets with student and keeps them on track.
