

HVAC Advisory Meeting Minutes

The Advisory meeting was held on April 14 at 7 pm at JALC room Annex. Those in attendance were as follows:

Josh Sanders Sheet Metal Workers Local 268

Joel Parchman Mowell's

Paul Numi Sheet Metal Workers Local 268

Jason Stutes JALC HVAC Instructor

Aaron Carter JALC HVAC Instructor

1. The meeting started with an introduction of each person in attendance and thanks to everyone for attending.
2. Next Jason talked about the new HVAC facility and the move into the new building as soon as this summer.
3. Next Jason talked about the new plumbing class and the curriculum involved with the new class.
4. Jason gave an update the interplay software that we use and how we can help the industry with testing through the software.
5. Next Jason talked about training opportunities that we will be able to offer once we are in the new facility.
6. Next Jason explained the HVAC excellence testing and benefits for students and employers.
7. Jason talked about the new refrigerant as well as the trainings and certifications that we offer here and can help the contractors with. There was some discussion as well as questions from those in attendance about getting certified.
8. Jason talked about maybe being able to use the temporary facility in the future.
9. Jason talked about the internship program and employment contracts.
10. The meeting finished with discussion and everyone left their email so that their could be a communication group started to discuss things moving forward as needed, This was a very productive meeting with very good feedback and participation. The meeting adjourned at 9:00 pm.
