ENROLLMENT SERVICES

**Admissions & Records | admissions@jalc.edu
(618) 985-2828 ext. 8298 | jalc.edu/admissions**

The Admissions and Records Office at John A. Logan College handles everything from applying to the College, proof of in-district residency, evaluating transfer coursework, ordering JALC transcripts, and applying for graduation.

**Restricted Health Science Admissions | (618) 985-2828 ext. 8520
jalc.edu/admissions/restricted-health-sciences-admission**

Some health science programs have restricted entry on the basis of specific test scores, academic grades and residency. These restrictions are necessary due to limited classroom, laboratory and/or clinical sites. Each program has different admission criteria, which are in addition to the College's general admission requirements.

**Academic Advisement | registration@jalc.edu
(618) 985-2828 Ext. 8070 | jalc.edu/academic-advisement**

The Academic Advisement Office provides a variety of enrollment services including assistance with registering for classes, schedule changes, waitlist options, dropping or withdrawing from courses, and helping select or change majors.

**Financial Aid | financialaid@jalc.edu
(618) 985-2828 Ext. 8308 | jalc.edu/financial-aid/**

The Financial Aid Office at John A. Logan College is committed to providing quality financial aid services to all eligible students. We aim to assist and counsel students and families in identifying the necessary financial resources to support them in their pursuit of a college education.

**Scholarships | foundation@jalc.edu
(618)-985-2828 ext. 8991 | jalcfoundation.org**

The John A. Logan College Foundation offers scholarships to students as well as information about external scholarships that are available. We offer one easy application process for students to apply!

Testing Services | (618) 985-2828 ext. 8520

Testing Services serves as the central location on campus for the administration of standardized testing programs and services offered at John A. Logan College.

Testing fees may apply, depending on required assessments.

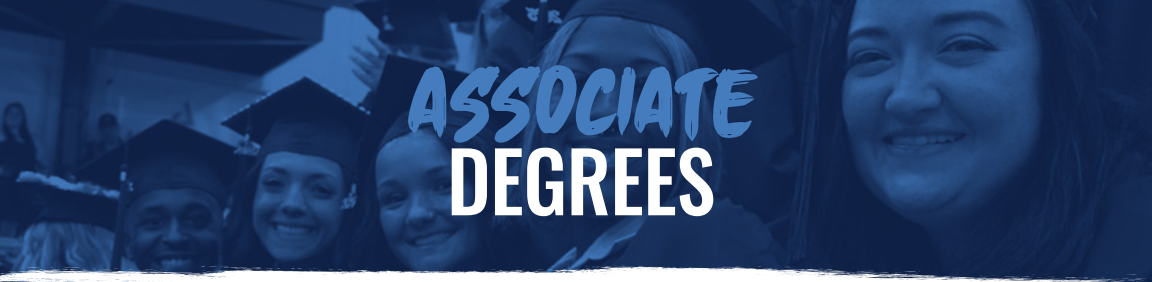

42 CERTIFICATE PROGRAMS
